1986 Camaro Manual Transmission

First introduced in 1985, this fifth edition of the Camaro White Book has been updated and expanded to include all Camaros from the first 1967s to the last models built in 2002. It includes thousands of Camaro facts, window-sticker prices, options and option codes, exterior and interior colors and codes, production volumes, and compilations of those little details that make each model unique. Presented in a precise, year-to-year format, this book puts real expertise at the fingertips of Camaro enthusiasts. This latest Camaro White Book has increased from 128 to 160 pages and is nearly an inch taller, yet retains a convenient back-pocket or glove box size.

1986 Camaro Manual Transmission

GM's 1-2 Punch The argument will never have a winner. Which car was cooler, the Chevrolet Camaro, or the Pontiac Firebird? The two legendary GM F-bodies had so much in common - including the year they were born - that they would be forever joined at the hip. They were wildly popular with the car buying public and came in so many varieties that almost any driver could find happiness with a Camaro or Firebird. Alas, all good things usually come to an end, and GM pulled the plug on the two legendary nameplates in 2002 after 35 great years. After Pontiac's demise, the Firebird and Trans Am may be gone for good - certainly as "Poncho" offspring - but thankfully, the Camaro is back by popular demand. In Camaro and Firebird: GM's Power Twins, muscle car expert John Gunnell traces the year-by-year development of both legendary cars. With more than 225 color photos and fact-laden yearly bios, Gunnell packs 38 model years into one easy-to-use resource.

The Standard Catalog of Chevrolet 1912-2003 delivers everything a Chevy enthusiast or historian needs! The Complete Book of Chevrolet Camaro, 2nd Edition profiles every model of Camaro from 1967 to the start of the fifth generation. See it all here. The Complete Book of Chevrolet Camaro, 2nd Edition continues the story of America's premier performance car. In 2016, the sixth-generation Camaro rolled off production lines and roared onto America's highways, earning best-in-class accolades from all over the performance spectrum. Renowned automotive photographer and historian David Newhardt is here to tell the Camaro's story. This is a Camaro book like no other. The Complete Book of Chevrolet Camaro, 2nd Edition covers the entire production history of Chevrolet's iconic muscle car, from the original concept car (codenamed Panther) to the latest and greatest sixth-generation vehicle. The Complete Book of Chevrolet Camaro showcases every model of Camaro since 1967 in stunning detail, using original and GM archival photography as well as insider interviews and technical specifications. The original model was developed to fight the Mustang in the muscle car wars of the late 1960s; the second-gen cars became icons of American automotive styling in the 1970s; the third-gen cars helped lead a muscle car renaissance in the 1980s; the refined fourth-gen cars continued to demonstrate GM's prowess and engineering know-how through 2002; the fifth-gen Camaro brought back the iconic nameplate in 2010; and now the latest generation has debuted to rave reviews in 2016. This book also features all the production vehicles, prototypes, show cars, anniversary editions, pace cars, and more from the vibrant Camaro culture.

Starting with the original 1965 concept car, code-named Panther, the Camaro was more than just a Mustang-fighter. It forever raised the bar for the high-performance muscle car. The Complete Book of Camaro covers over 40 years of high performance with an in-depth look at the prototypes and experimental models, the anniversary and pace cars, and the specialty packages for street and competition driving. The Complete Book of Camaro is a thorough illustrated history of all five generations of Chevrolet ' s pony car. With extensive details, specs, and photographic coverage, this book is the ultimate resource on Chevrolet ' s most beloved muscle car.
