24 Hours with 24 Lawyers: Profiles of Traditional and Non ...

Each chapter literally covers 24 hours in a lawyer's life. The lawyers have all sorts of different practices — patent law, IP law, military, DUI defense, general practice, etc. The things that stood out to me are how little time the lawyers have to themselves and how much coffee they drink.

Attorney General Maura Healey is the chief lawyer and law enforcement officer of the Commonwealth of Massachusetts. The official website of Massachusetts Attorney General Maura Healey. File a complaint, learn about your rights, find help, get involved, and more.

Are you thinking of attending law school or switching legal careers? About to graduate and wondering which path to take? Are you curious about what lawyers in different fields do in a typical day? Then spend twenty-four hours with twenty-four lawyers through this innovative book, 24 Hours with 24 Lawyers. Whether you want to be a full-time corporate lawyer, work as a legal consultant while pursuing your music career, or anything in between, this book gives you a unique "all-access pass" into the real-world, real-time personal and professional lives of twenty-four law school graduates. These working professionals each present you with a "profile" chronicling a typical twenty-four-hour day in their traditional and non-traditional careers. You will read actual twenty-four-hour accounts from the perspective of a venture capitalist, Wall Street lawyer, lobbyist, entertainment lawyer, IP attorney, sports broadcaster, JAG officer, prosecutor, criminal defense lawyer, mediator, and politician, just to name a few. From the time they wake up in the morning to the time they go to bed, each professional illustrates what their position entails on a day-to-day basis and will give you invaluable, informative, and honest insight above and beyond what many brochures, guest lectures, career workshops, or law firm website descriptions can provide. After reading 24 Hours with 24 Lawyers, you'll be better prepared to determine which career Profile may suit you best before accepting a new job or investing in a legal education. Book jacket.

Going to law school has become a very expensive and increasingly risky gamble. When is it still worth it? Law professor Paul Campos answers that question in this book, which gives prospective law students, their families, and current law students the tools they need to make a smart decision about applying to, enrolling in, and remaining in law school. Campos explains how the law school game is won and lost, from the perspective of an insider who has become the most prominent and widely cited critic of the deceptive tactics law schools use to convince the large majority of law students to pay far more for their law degrees than those degrees are worth. DON'T GO TO LAW SCHOOL (UNLESS) reveals which law schools are still worth attending, at what price, and what sorts of legal careers it makes sense to pursue today. It outlines the various economic and psychological traps law students and new lawyers fall into, and how to avoid them. This book is a must-read if you or someone you care about is considering law school, or wondering whether to stay enrolled in one now.

Completely revised and updated, So You Want to Be a Lawyer takes you through the process of becoming a lawyer, examining each phase in a helpful and easy-to-understand narrative. Find out what practicing law is like before you step into your first law school class. Practice solving legal problems as law students would in law school and lawyers might in an actual courtroom. Find out how to get into law school. And there's much more: •Advice on how to select a law school, along with names and addresses of American Bar Association (ABA)-approved law schools •An explanation of the law school admissions process, and ways to improve your chances for getting in •Practical exercises and advice that will give you a head start over other first-year law students •Information about career opportunities as a lawyer Written by three experienced lawyers, this book will help you understand the types of problems facing law students and lawyers on a daily basis. Not only will it prepare you for law school, but it will also become your trusted guide on the path to becoming a successful lawyer.

At head of title: The National Association for Law Placement.

Covering the often frustrating process of researching and securing a law firm job and how to succeed once a job is secured, this is a mentoring guide for new lawyers at the beginning stages of their careers. It embodies a collective wisdom about the things lawyers wished they knew at the beginning of their careers, rather than the end. Subjects covered include traditional and creative job hunting, writing resumes and cover letters, first and second interviews, and developing relationships with firms as a summer associate. Using real-life examples, this reference also focuses on the ultimate goal of being a satisfied and fulfilled lawyer and discusses many of the daily workplace issues that new lawyers are often afraid to talk about -- handling firm partners and assignments, courtroom etiquette, organisational tools, and dating within the firm.

Choosing a legal career that fits a student's personality, skillset, and aspirations is the most important and difficult decision a law student faces, yet only a small number of law schools incorporate career-planning into their curriculums. Law Jobs: The Complete Guide seeks to fill the gap. Written by three award-winning professors, Law Jobs is a comprehensive, reader-friendly guide to every type of legal career. Packed with authoritative research and featuring comments from more than 150 lawyers who do the jobs, Law Jobs offers in-depth exploration of each career option, including general background, pros and cons, day in the life descriptions, job availability, compensation, prospects for advancement, diversity, and how students can best position themselves for opportunities in the field. Covered jobs include: Large and Medium-Sized Law Firms Small Firms and Solo Practitioners In-House and Other Corporate Counsel Government Agency Lawyers Non-Governmental Public Interest Law Prosecutors and Public Defenders Private Criminal Defense JD Advantage Jobs Contract (Freelance) Lawyering Judges, Mediators, and Arbitrators Judicial Law Clerks Legal Academic Jobs Other chapters address lawyer happiness, the rapidly changing face of the legal profession due to technology and other forces, the division between litigation and transactional law, and the top-50 legal specialty areas. Together, the authors have received more than thirty awards for teaching and research, and have written extensively about law students and lawyers in books such as 1L of a Ride (McClurg), A Lawyer Writes (Coughlin), and The Happy Lawyer (Levit).

America's leading expert on the psychology of lawyer behavior presents ... • The first career satisfaction model just for lawyers • Practical techniques to find long-term career satisfaction inside, outside & around the law • Resources to help you in the job search and transition process The more you base your career choices on how well they fit with your identity, the more assured you can be that the choices will remain satisfying over the long term. In this all-new, 6th edition of a law career classic, lawyers are introduced to a unique, five-part model for career satisfaction that is based on the well-established principle that the better the fit between a person's career identity and his or her job, the greater the person's long-term career satisfaction. The model applies whether you want to find satisfaction in the traditional practice of law, or you seek satisfaction through alternative work arrangements or career choices. This book contains career exercises, practical career-finding techniques, and 800+ ways to use your law degree inside, outside or around the law.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

" Written by Harvard-trained ex-law firm partner Liz Brown, Life After Law: Finding Work You Love with the J.D. You Have provides specific, realistic, and honest advice on alternative careers for lawyers. Unlike generic or abstract career guides, Life After Law shows lawyers how to reframe their legal experience to their competitive advantage, no matter how long they have been in or out of practice, to find work they truly love. Brown herself moved from a high-powered partnership position into an alternate career and draws from this experience, as well of dozens of former practicing attorneys, in the book. She acknowledges that changing careers is hard - much harder than it was for most lawyers to get their first legal job after law school - but it can ultimately be more fulfilling for many than a life in law. Life After Law offers an alternative framework and valuable analytic tools for potential careers to help launch lawyers into new fields and make them attractive hires for non-legal employers. "...

As defender of both the righteous and the questionable, Alan Dershowitz has become perhaps the most famous and outspoken attorney in the land. Whether or not they agree with his legal tactics, most people would agree that he possesses a powerful and profound sense of justice. In this meditation on his profession, Dershowitz writes about life, law, and the opportunities that young lawyers have to do good and do well at the same time. We live in an age of growing dissatisfaction with law as a career, which ironically comes at a time of unprecedented wealth for many lawyers. Dershowitz addresses this paradox, as well as the uncomfortable reality of working hard for clients who are often without many redeeming qualities. He writes about the lure of money, fame, and power, as well as about the seduction of success. In the process, he conveys some of the "tricks of the trade" that have helped him win cases and become successful at the art and practice of "lawyering."
