Elena Hearty has created a new vampire hero. Paul is the type of vampire that has women leaving their bedroom windows open for. I loved every word of this book. The characters are believable, especially Lenore's dialogues with herself as she faces decisions that no one should ever face. I will definitely be waiting for...

A woman struggling with burnout learns to embrace the unexpected—and the man she enlists to help her—in this new New York Times bestselling romance by Helen Hoang. When violinist Anna Sun accidentally achieves career success with a viral YouTube video, she finds herself incapacitated and burned out from her attempts to replicate that moment. And when her longtime boyfriend announces he wants an open relationship before making a final commitment, a hurt and angry Anna decides that if he wants an open relationship, then she does, too.

Translation: She's going to embark on a string of one-night stands. The more unacceptable the men, the better. That's where tattooed, motorcycle-riding Quan Diep comes in. Their first attempt at a one-night stand fails, as does their second, and their third, because being with Quan is more than sex—he accepts Anna on an unconditional level that she herself has just started to understand. However, when tragedy strikes Anna's family she takes on a role that she is ill-suited for, until the burden of expectations threatens to destroy her. Anna and Quan have to fight for their chance at love, but to do that, they also have to fight for themselves.

This is the story of Will Rawlins, a gifted physician and scientist derailed by his passion for an enigmatic young woman who wields her sensuality as a weapon. Damaged and directionless, he drifts southward into Mexico, where he is forced to flee prosecution for a crime not of his own doing. Set largely in Sonoran Mexico, Baja California, and the strange, deep sea that divides them, *The Heart's Hard Turning* is a story of loyalty and betrayal, despair and courage, friendship and death; a story of a deliverance from evil; and, ultimately, a story of our struggle to learn where to love and whom.

After escaping Neverland, Elena and Will are looking forward to starting over and moving on with their lives. But plagued by nightmares and the harsh realities of the real world, getting a fresh start is proving to be easier said than done. Just when they wonder if things can possibly get worse, an all too familiar fairy appears to burn what remains of their lives to the ground. Fully aware that they are flying straight into a trap, Elena and Will set off on a rescue mission to the last place they ever thought they would see again. Neverland. Just as deadly as before, the island awaits, ready to rip them apart and destroy everything they love. Boundaries will be pushed, relationships will be tested, and not

Desire, danger, intrigue, and steamy seduction unite a sexy spymaster and an intrepid bluestocking as Stefanie Sloane's luscious new series continues. Possessed of a brilliant mind and a love for puzzles, Dashiell Matthews, Viscount Carrington, is a crucial member of the elite Young Corinthians spy league. Assuming the façade of an addle-brained Adonis, he hunts for a notorious London murderer known as the Bishop. When fate causes him to cross paths with Miss Elena Barnes, Dash discovers an enigma that will prove delightfully intoxicating to unravel: a voluptuous beauty as intelligent as she is fearless. Only the lure of a collection of rare books bequeathed to her family by Dash's late father could tempt Elena from her cozy rural life to the crush and vanity of London. But if Elena finds his lordship to be the most impossibly beautiful man she's ever seen, he also seems to be the stupidest. Which made her body's shameless

Presents an episode-by-episode look at the first season of "The Vampire Diaries" and includes the story of L.J. Smith, background on the shows creators, and biographies of the actors.

In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all—not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred,

hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to
