Joyce Carol Oates - On  
Writing Characters ~~Beasts  
Joyce Carol Oates~~

Joyce Carol Oates, *Beasts*  
(Carroll and Graf, 2002)

Joyce Carol Oates cannot be  
human. It is simply  
impossible for a single  
human being to turn out the  
work she has over the course  
of her career, consistently  
stratospheric in both  
quality and quantity.

Joyce Carol Oates possesses an enviable ear for language, a talent for creating absorbing and illuminating psychological landscapes for her rich, quirky characters, and an excellent skill at interweaving the stuff of the gothic with more modern narrative sensibilities. *Beasts* demonstrates her talents in this slender, engaging story.
