Mari Mancusi - Wikipedia

Sunny McDonald is in the ultimate forbidden relationship. Her boyfriend Magnus is a vampire, and the leader of the Blood Coven. And when the Coven decides that Magnus needs a mate to be his co-ruler, Sunny's humanity puts her out of the running.

After making a deal with the devil, Rayne and her twin sister Sunny have been given the chance to go back in time to prevent that fateful night when Sunny was bitten by vampire Magnus from ever happening.

Still reeling from having lost her chance to become a vampire, sixteen-year-old Rayne learns that she is destined to be the new Vampire Slayer and must go undercover to stop a maniacal member of the undead who seeks vengeance and power by spreading a fatal blood disease.

Okay, so technically she can't because I'm immortal. Well, not yet. See, due to the worst case of mistaken identity with my dark-side-loving twin sister at a Goth club called Club Fang, Magnus, a vampire hottie, went for my innocent neck instead of hers. Now if I don't reverse it in time, Magnus will be my blood mate forever and I'm doomed to be a blood-gulping, pasty, daylight-hating vampire. Believe me, it seriously bites. After the unfortunate slaying of the vampire leader, it's up to me, my sister, and Magnus to find the one thing that can solve my problem-the Holy Grail. No joke. I seriously hope I can get out of this in time, because somehow, I scored the hottest prom date in my school, the mouth-watering Jake Wilder. And I do not want to be a vampire for the prom-let alone the rest of eternity...

Bestselling author Hannah Miller knows how to steam up the pages and make her fans swoon over her vampire heroes. But in real life, things are a lot less dramatic. Haunted by a terrible night in her past, she's become almost a recluse, holed up in her apartment, exploring the world through fiction. Keeping real life locked outside. Until one night-when Logan Valcourt walks into her book signing-accusing Hannah of being a fraud. Telling her it's obvious she knows nothing of real vampires...or real men for that matter. He's dark, brooding and looks disturbingly like the vampire hero of her books. And when he makes a bet with her-to prove vampires are real-she finds herself unable to say no. Now she's thrust into a world straight off the pages of a bestselling book. Of blood and vampires. Betrayal and murder. It's completely terrifying-yet completely intoxicating, all at the same time. Especially when she sees the look growing in Logan's eyes. A look of dark desire, that's becoming all too real. Will Hannah ever be able to return to the pages of her old life? Or will she begin a brand new chapter...once upon a vampire?This is the first book in a brand new Blood Coven Vampires crossover series and will feature familiar faces joining brand new characters.

Sunny McDonald and her vampire boyfriend, Magnus, are on the run-accused of treason and wanted alive...or undead. And her twin is the slayer sent to track them down. Rayne would do anything to save her twin sister, Sunny, from the Vampire Consortium dictator who wants her dead. Instead, she's been commissioned by Slayer Inc. to find Sunny and Magnus and deliver them to the Consortium...which Rayne knows means certain death. She also knows that if she and her boyfriend, Jareth, disobey orders, they are signing not only their own death warrants, but also those of every vampire in the Blood Coven. As a rival slayer with a personal vendetta moves in, Rayne and Jareth must do something to stop her. So they embark on their most dangerous journey yet, deep beneath the streets of New York City and through the Gates of the Underworld. But when a greedy god demands the ultimate sacrifice, will Rayne be forced to choose between her sister...and the vampire she loves?

Rayne McDonald, a goth vampire and vampire slayer, must go undercover as a cheerleader at her high school to find out what happened to the captain of the football team, who has disappeared, and to see if the peppy cheerleaders are really werewolves.

Mistaken for her Goth twin sister, Rayne, sixteen-year-old Sunny is bitten by a vampire and races against time to avoid becoming a vampire permanently. Rayne learns she is destined to be the new Vampire Slayer just as a maniacal member of the undead is trying to spread a fatal blood disease.

The newest Blood Coven novel-accompanied by edgy repackages of the rest of the series Sunny McDonald is in the ultimate forbidden relationship. Her boyfriend Magnus is a vampire, and the leader of the Blood Coven. And when the Coven decides that Magnus needs a mate to be his co-ruler, Sunny's humanity puts her out of the running. The Coven's chosen candidate is Jane Johnson, a magna cum laude graduate of Oxford University who just happens to look like a vampiric supermodel. Sunny is suspicious of a Rhodes Scholar who can't answer the most basic poli-sci questions, but Magnus brushes it off as petty jealousy. Still, when the Blood

Coven goes to Las Vegas for a vampire convention, Sunny and her twin sister Rayne secretly tag along. And Sunny's not going home before she learns the truth about Jane. Because not everything stays in Vegas-especially bad blood.

Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

My demons are dark. My sins are many. And taking Natalie Good might be my worst offense yet. Because I'm the very Blackthorne responsible for her ancestor's demise. But her blood sings for me, her body calls my name, and if kissing her is sinful, Romeo was right-give me my sin again.I've made a point of avoiding witches for the last few hundred years.
