The BSA Bantam Club has some rarities on show ... As well as a rare Bushman model, there will be a 1959 D1 (125cc two-stroke for non-classic fans) which will be ridden from Land's End to John ...

Year-by-year evolution of the BSA Bantam, a simple commuter bike that thousands learnt to ride on. It became the standard GPO 'telegram bike' in the 1950s and was a huge success, with 100,000 built in the first four years of production. It's a story with interesting asides, like the Hummer, Harley-Davidson's version of the DKW that inspired the Bantam, and survived into the 1960s. But it's a sad story too - BSA failed to follow up the Bantam's early success by developing it, and by the mid-1960s it was looking outdated, especially next to the new breed of four-stroke Hondas. That the Bantam was allowed to fizzle out in 1971 symbolised the state of the industry that produced it, but today there's a thriving community of Bantam owner/riders. The book ends with a guide to buying a secondhand Bantam, along with useful appendices on specifications, engine/frame numbers, and contacts among the clubs and Bantam specialists. Every Bantam owner, or would be owner, needs this book - the

history. The book covers all the frames, tanks, wheels, tinware, stands, brakes, suspension electrics, paint colours, controls, instrumentation and and electrics - in fact everything but the engine which is covered in Volume 1.

Marriage and the Family: Mirror of a Diverse Global Society is a comprehensive text about marriage and the family in sociology, family science, and diversity studies. The book is divided into four parts: studying marriage patterns and understanding family diversity; developing and maintaining intimate relationships; tackling family issues and managing household crises; and appreciating contemporary living arrangements in a diverse American society and across the global community. Marriage and the Family is unique in its focus on diversity as well as its global perspective. Diversity Overview boxes feature vignettes of family diversity in America. Global Overview boxes invite students to experience family life in different areas of the world. Indeed, families become a mirror that helps students see a diversifying American society and a globalizing world.

The 1983 Six Days in Wales was supposed to be America's great chance to finally come home with the World Trophy. The year before in Czechoslovakia, the American team, mudders all, came within a whisker of winning the great prize, and the bogs of Wales in 1983 were set for the final showdown. In the end, bad trouble was our constant companion in Wales, starting with the injury that sidelined one of our top Trophy Team members, and ending with unrelenting bad weather and subsequent machine breakdowns. This is the story of that week.
