Busting Loose From The Money

"I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle-for myself and my family-and this gave me the keys to do that. Busting Loose from The Money Game opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to unwrapping yourself from limitations.

life, achieved through breaking conventional rules about money and adopting a radical new attitude.

Real people, real transformations! "Absolutely amazing! It completely shifts your paradigm for life. One of the most wonderful things about it is that the results are immediate. My whole perception and relationship to money has undergone a major, substantial change." –Chris Attwood, writer and teacher, California "I've spent most of my life trying to figure out what's true and what's real. I have to say I now have a clear glimpse into what it really is." –Tom Hill, Colorado "Before Busting Loose from The Money Game, I was very unhappy and frustrated in my life. I was driven to find more ways to make money. I changed jobs, cities, countries, went back to school, read books. Financially, the stress was causing anxiety attacks and migraines so severe I stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing!" –Suresh Thakoor, Texas "As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it-especially at the end of the year. I don't use a budget anymore and have opened up new streams of income that were always closed to me in the past." –Howard Rovics, Connecticut "It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun!" –Doris Kahle, Hagen, Germany "I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. If you're not satisfied with where you are financially and you're concerned about your future, get this book!" –Ben Coleman, Texas

The Business Game—here's how you can win! Are you a business owner, manager, or employee who struggles with: Taxes, cash flow, sales, and profits Marketing and advertising effectiveness Hiring, motivating, and managing talent The economy, stock market, and competitors Bosses, boards, stockholders and partners Never-ending to-do lists and sacrificing your quality of life to succeed? If you answered "yes" to any of these, you've been playing The Business Game and suffering the consequences. Even if you're rolling in profits right now, there are hidden costs you're paying to earn that money—money that's always at risk. You learned "the rules" and you've been faithful to them, thinking you can win. But you can't really win The Business Game, because it's designed to be unwinnable—that is, as long as you play by the rules you were taught. The only way to truly win is to bust loose from the "old" game and start playing a new game with a new set of rules. This book helps you discover who you really are, what you're really capable of, and how you can tap new sources of power, wisdom, and abundance to radically transform your experience of business. When you bust loose from the old game, you'll suddenly be playing a new game: For the sheer pleasure of playing, with no worries about sales, marketing, profits, cash flow, taxes, other people, or personal income Entirely unaffected by the economy, stock market, competitors, or technological innovation Having more fun with less effort than you've ever experienced Doing only what you love to do—all day, every day Watching as amazing results come your way, without having to "make it happen" It may sound unbelievable, but it's entirely possible. You can do it—if you open your mind and embrace the strategies in this book. Busting Loose from The Business Game leads you into a New Business Game filled with results and satisfaction beyond anything you've ever imagined possible. Read on... and bust loose!

Do you want to know how to be happy, all the time, no matter what's going on around you? Sure you do. But before you can experience that, you must be able to answer 2 questions: What is happiness ... really? How can you get from where you are now into that Experience? The Ultimate Key To Happiness will offer unusual answers to you. Through the pages of this book, you ll discover what no one has been telling you about: What happiness really is (hint: it's not what you were taught) What happiness really isn't What's been blocking you from experiencing happiness consistently How to dissolve that block Why the common "prescriptions" for happiness fail to produce results The exact steps you can take to experience True Happiness, all the time, no matter what s going on around you And much more ... Through the pages of this book, you ll discover why happiness has remained so elusive, despite how badly you want it, how hard you ve tried to experience it, and the promises made to you by experts and gurus. The happiness you ve been seeking has been hiding in plain sight all along. Through what this book sets into motion, you ll finally be able to see it, grasp it, and integrate it permanently into your Being. Odds are, what you ll discover in this book will surprise you, shock you, rock your world, and literally blow your mind.

Praise for The 11th Element "Bob has cracked the code on how to produce business breakthroughs at breakneck speed by tapping into The 11th Element. I consider The 11th Element to be a 'must have' for all executives, managers, network marketers, and entrepreneurs who want to create and increase their wealth and personal freedom." –From the Foreword by Robert Allen Author of The One Minute Millionaire and Multiple Streams of Income "The 11th Element teaches you the valuable skill of asking for assistance from your 'Inner CEO' to improve your decision making. Napoleon Hill explored this principle in Think and Grow Rich, and Scheinfeld takes it to a new level." –Ken Blanchard Coauthor of The One Minute Manager® and Big Bucks! "Bob Scheinfeld gives his readers an extremely valuable ally to help them achieve impressive success. It's an ally that readers have had all along but has escaped their awareness. After you complete The 11th Element, you'll be aware of it and able to use it to maximize your effectiveness. You'll love the book but hate yourself for not realizing that you had this ally right from the start." –Jay Conrad Levinson Author of the Guerrilla Marketing series of books "Fascinating! Read it twice. Scheinfeld presents a thought-provoking exploration on what it takes to succeed on a massive scale." –Randy Gage Author of Prosperity Mind "A major business breakthrough . . .

a masterpiece for anyone wondering why results eluded them before. Remarkable." -Dr. Joe Vitale Bestselling author of Spiritual Marketing and The Greatest Money-Making Secret in History! "Profound, absorbing, and like nothing written before about wealth and success. The 11th Element shows you specific, practical ways to tap into a powerful new source of support to receive a quantum boost in power you can use to fuel the growth of your business and your quality of life." -Gay Hendricks, PhD Author of The Corporate Mystic and Conscious Golf: The Three Secrets of Success in Business, Life and Golf

Things Are Going Great In My Absence is not an ordinary book. It's an astonishing, mind-blowing, life-changing experience, due to the vortex of Energy, Light, and Divine Intelligence it guides you into, step by enjoyable step. Divine Openings realigns you with that organized field of resonance that carries you along in the Flow Of Life. It helps you let in more of the Grace that's been raining on you all along. When you're not able to let in that Grace, you can feel like you're dying of thirst in a rainstorm. Things Are Going Great In My Absence is so powerful and effective, it spread to over 150 countries by word of mouth, before even being in bookstores. We know it might sound too good to be true--but it does work in your life if you simply read it, let it in, and stick to it.

The New York Times and Wall Street Journal bestseller! "The Psychology of Wealth is a pertinent and comprehensive overview of the skills and mindset necessary for success. Prosperity can be achieved by anyone, and Dr. Richards shows the way." -Donald J. Trump "What's in your head determines what's in your wallet. Dr. Richards gives you the mental hard-drive upgrade you need to finally achieve the greater prosperity and success you desire." -Darren Hardy, Publisher, SUCCESS magazine "Dr. Richards shakes up our preconceptions about wealth by examining the psychological aspects of how we relate to money. When you understand the real sources of wealth in your life, you'll find it much easier to achieve a more prosperous and happy life." -Jordan E. Goodman, America's Money Answers Man at MoneyAnswers.com and Author of Master Your Money Type "This might be one of the most important books you'll ever read. If you feel like your life has been stuck in neutral--or even worse, put in reverse--Dr. Richards will set you on a clear path to success." -Barnet Bain, Producer, What Dreams May Come About the Book: Why do some people feel a perpetual state of lack and fear about money, while others feel genuinely prosperous, regardless of the size of their bank accounts? Why do some people shudder with dread when it comes to setting financial goals, while others embrace it with enthusiasm and confidence? What makes the difference? Could it be in their relationship with money itself? People who enjoy a healthy relationship with money share common habits and traits. So, how do they think, and what do they do differently? Are these behaviors hardwired in an individual's psyche, or can they be learned? In this provocative book, psychotherapist Dr. Charles Richards provides unexpected and encouraging answers to these questions. Based on his research and expert interviews, Dr. Richards shows how each of us can develop a thriving relationship with money and create a rich and rewarding life. At the book's heart are the stories of people who have faced adversity with courage and created extraordinary lives. Their accounts--along with Dr. Richards' interviews with finance professors, legislators, entrepreneurs, and mavens of success--pave a path to a brighter future for us all. Today we live in a trying economic environment. Every day, popular financial advisors exhort us to hunker down, play it safe, and protect ourselves from an uncertain future. To the voices who promote fear and doubt, Dr. Richards answers with balance, wisdom, and optimism. The Psychology of Wealth is for anyone interested in succeeding personally or professionally, and in achieving true prosperity. It offers golden steps on the path to a better life.

Face it, whether your company has 10 employees or 10,000, you must grapple with people you can't stand in the office. Luckily Jonathan Littman and Marc Hershon have written I Hate People!, a smart, counter-intuitive, and irreverent turn on the classic workplace self-help book that will show you how to identify the Ten Least Wanted -- the people you hate -- while revealing the strategies to neutralize them. Learn to fly right by the "Stop Sign" (nay-sayer) and rise above the pronouncements of the "Know-it-None." I Hate People! will teach you how to carve out more time for yourself by becoming a "Soloist" -- one of those bold individuals daring to work alone or collaborate with a handful of other talented people....while artfully deflecting the rest.

Every day things happen to you. How much is caused by you and how much by fate, destiny or the result of invisible forces you know nothing about? Finding the answers to these questions can be compared to putting together a gigantic jigsaw puzzle. This work offers pieces that have been missing from your puzzle. One you add them to the pieces you've already collected, a new picture of who you are, why you're here, what your purpose is, and how to better manage the unseen forces shaping your life will spring into view.
