*Forever* . . . By Judy Blume - (PDF/READ)

Judy Blume portrayed teenage sex in a beautiful way. She wrote a novel that showed that teenage sex is not always a regrettable experience. So many books today just focus on the negatives of sex, yet this book provides some of the positives. Blume also brings in information about safe sex, which is important as well.

---

*Forever* . . . book by Judy Blume

Judy Blume, Writer: *Tiger Eyes*. Judy Blume was born on February 12, 1938 in Elizabeth, New Jersey, USA as Judith Sussman. She is a writer and producer, known for *Tiger Eyes* (2012), *Wifey* and *Summer Sisters*.

Fifth-grader Peter Hatcher's mother is pregnant, his four-year-old brother, Fudge, is a constant embarrassment to his family, and his parents want to move to New Jersey for a year, could life get any worse?

In her highly anticipated new novel, Judy Blume, the New York Times # 1 best-selling author of *Summer Sisters* and of young adult classics such as *Are You There God? It's Me, Margaret*, creates a richly textured and moving story of three generations of families, friends and strangers, whose lives are profoundly changed by unexpected events. In 1987, Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing “Unforgettable,” Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In the *Unlikely Event* is vintage Judy Blume, with all the hallmarks of Judy Blume's unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: “Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents.” —Booklist (starred review) and “In Blume's latest adult novel . . . young and old alike must learn to come to terms with technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human.” —Publishers Weekly

You'll never forget your first time...reading *Forever*, Judy Blume's groundbreaking novel about teen sexuality, as an ebook. When you build up something in your mind—really imagine it, wish for it—sometimes, when it actually happens, it doesn't live up to your expectations. True love is nothing like that. Especially not for Katherine and Michael, who can't get enough of each other. Their relationship is unique: sincere, intense, and fun all at the same time. Although they haven't been together all that long, they know it's serious. A whole world opens up as young passion and sexuality bloom. But it's senior year of high school, and there are big changes ahead. Michael and Katherine are destined for another big “first”: a decision. Is this the love of a lifetime, or the very beginning of a lifetime of love?

With more than four million copies sold, *Wifey* is Judy Blume's hilarious, moving tale of a woman who trades in her conventional wifely duties for her wildest fantasies—and learns a lot about life along the way. Sandy Pressman is a nice suburban wife whose boredom is getting the best of her. She could

be making friends at the club, like her husband keeps encouraging her to do. Or working on her golf game. Or getting her hair done. But for some reason, these things don't interest her as much as the naked man on the motorcycle...

A thirteen-year-old girl seemingly destined for a modeling career finds she has a deformation of the spine called scoliosis.

When Winnie welcomes the Garber family into a previously all-white neighborhood she learns the difference between good neighbor policies and friendship.

There is a lot going on in his life that thirteen-year-old Tony Miglione does not really understand--like why his parents suddenly have money enough to buy a house on Long Island, why his mother has changed, why his rich friend Joel shoplifts, why he is obsessed with Joel's sixteen-year-old sister, and why he is having terrible stomach pains.

Learn how Judy Blume went from a stay-at-home mother to one of the most beloved American authors of the twentieth century. Readers adore Judy Blume for her personal stories about the journey from childhood to adolescence. She has always been an imaginative person and an avid reader. As a child, Judy spent time looking through library shelves for the perfect books, and if she couldn't find the right ones, she entertained herself by making up stories in her head. When she got older, Judy started writing her stories down. Although readers fell in love with characters like Margaret Simon and Fudge Hatcher, some parents challenged some of her titles, including *Are You There God? It's Me, Margaret*, for discussing sensitive issues. Despite all the controversy, this award-winning author and her books have remained popular among fans, both old and new.

When Davey Wexler's father is killed in a holdup in Atlantic City, her mother moves Davey and her brother to Los Alamos to get away from the memories--but Davey is a girl frozen in fear and anger, until she meets an older boy called Wolf who can read her tiger eyes.

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.
