This second edition of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching from first stages to GCSE. Completely revised and restructured in the light of a nationwide survey of Classics teachers, it provides an exciting, stimulating approach to Latin based on the reading of original texts. Parts I-III are built around a narrative detailing the life of Horace, based closely on historical sources, which helps students to develop an understanding of the times of Cicero and Augustus.

This collection of Stage Tests is designed for students who are using Unit 2 of the Cambridge Latin Course. The tests are consistent with the goals of the Cambridge Latin Course. Each test starts with a reading passage, followed by a variety of exercises including: reading comprehension questions in the form of true/false statements or multiple choice questions; questions to evaluate the student's knowledge of grammar in the sight passage, and of grammar from the Stage being tested; sections devoted to the student's knowledge of derivatives based on vocabulary from the Stage being tested; exercises on culture based on the culture reading in the Stage being tested.
