Computer Networking: A Top-Down Approach (7th Edition ...
This can be done in simulated scenarios or in a "real" network environment such as the Internet. The Java applets in the textbook Web site take the first approach. In these Wireshark labs, we'll take the latter approach. You'll be running various network applications in different scenarios using a computer on your desk, at home, or in a lab.

(In fact, Jim and Keith first met each other as master ' s students in a
computer networking course taught by Mischa Schwartz in 1979 at
Columbia University.) We think all this gives us a good perspective on
Teaching networking, and an appreciation for high-quality resources
that can help an instructor in teaching a computer networking course.
