CONTEMPORARY ISSUES IN

BUSINESS ETHICS approaches

business ethics from a social and

political perspective, asking students

to consider the proper place of

business in society, particularly as

played out through the tension

between strategies that rely on market

mechanisms and strategies aimed at

protecting individual rights.

Using social media is a good way for companies to promote their business, but it can create ethical issues in business regarding its use at work and in private. However, the most prominent ethical dilemma involving social media is firing employees for posts that reflect personnel character flaws, like racism, inappropriate behaviors, and memberships in controversial social organizations.

Perhaps too often, business ethics is portrayed as a matter of resolving conflicts in which one option appears to be the clear choice. For example, case studies are often presented in which an employee is faced with whether or not to lie, steal, cheat, abuse another, break terms of a contract, etc.
