From the best-selling author of the Next Big Investment Boom, this book provides everything you need to know about making the world's money markets work to your advantage, enabling you to turn basic investments into a winning portfolio. Big Money, Little Effort shows you how a straightforward, manageable and stress-free investment system, if properly applied and monitored, can protect you from the volatility of the world's stock markets while ensuring consistent returns on your original investment. In an industry awash with different (and often very vocal) opinions, the author removes the mystique that often
