Desperation Stephen King

Desperation is a horror novel by American writer Stephen King. It was published in 1996 at the same time as its "mirror" novel, *The Regulators*, itself published under King's Richard Bachman pseudonym. It was made into a TV film starring Ron Perlman, Tom Skerritt and Steven Weber in 2006.

Desperation (novel) - Wikipedia

Stephen first came up with the idea for *Desperation* in 1991, when he was driving his daughter's car cross-country. He passed through Ruth, Nevada, a small town with seemingly no inhabitants. He immediately thought, "They're all dead," and then "Who killed them?" At that point, his "Voice" immediately answered "The sheriff killed them all."

Desperation: Amazon.co.uk: King, Stephen: 8601200570427: Books

Desperation is one of the downright scariest books I've read, and the scares come early. King manages, for the most part, to keep the tension up throughout the novel, which makes it one hell of an uneasy read.

Stephen King's #1 national bestseller about a little mining town, Desperation, that many will enter on their way to somewhere else. But getting out is not easy as it would seem— "I see holes like eyes. My mind is full of them." For all intents and purposes, police officer Collie Entragian, chief law enforcement for the small mining town of Desperation, Nevada, appears to be completely insane. He's taken to stopping vehicles along the desolate Interstate 50 and abducting unwary travelers with various unusual ploys. There's something very wrong here in Desperation...and Officer Entragian is only at the surface of

it. The secrets embedded in Desperation's landscape, and the horrifying evil that infects the town like some viral hot zone, are both awesome and terrifying. But one of Entragian's victims, young David Carver, seems to know—and it scares him nearly to death to realize this truth—that the forces being summoned to combat this frightful, maniacal aberration are of equal and opposite intensity.... "A big, serious, scary novel...King is at the top of his game." —Entertainment Weekly "Surreal, tragic, scary...Terror that resonates long after the book is finished." —The Washington Post Book World "Astonishing...[a] deeply moving and enthralling masterpiece!" —Publishers Weekly (starred review)

New! Titles include "Desperation" by Stephen King and "The Regulators" by Richard Bachman.

On a perfect summer afternoon in Wentworth, Ohio, many of the citizens who live on Poplar street are killed mysteriously and, at the center of the mystery, is a young boy named Seth Garon whose supernatural powers are just awakening. Reissue.

—The terror is relentless— (Publishers Weekly) in Stephen King's #1 national bestseller about a little mining town, Desperation, that many will enter on their way to somewhere else. But getting out is not easy as it would seem— Located off a desolate stretch of Interstate 50, Desperation, Nevada, has few connections with the rest of the world. It is a place, though, where the seams between worlds are thin. And it is a place where several travelers are abducted by Collie Entragian, the maniacal police officer of Desperation. Entragian uses various ploys for the abductions, from an arrest for drug possession to —rescuing— a family from a nonexistent gunman. There's something very wrong here, all right, and Entragian is only the surface of it. The secrets embedded in Desperation's landscape, and the evil that

infects the town like some viral hot zone, are both awesome and terrifying. But as one of the travelers, young David Carver, seems to know—though it scares him nearly to death to realize it—so are the forces summoned to combat them. “Stephen King’s knack for turning the stray junk of pop culture into sick, darkly engrossing thrills has rarely been this much in evidence as in *Desperation*” (Salon).

Originally published: New York: New American Library, 1981.

In the second volume of her memoirs, the prize-winning author Janice Galloway reveals how the child introduced in *This is Not About Me* evolved through her teenage years. When she started secondary school, Galloway was still sharing a bed with her mother and was more excited by Latin and school orchestra than by boys. But as she struggled with the physical and emotional changes of adolescence, almost everything she thought she knew began to change. Combining visceral descriptions of puberty, sex and school-room politics with the story of a family's secrets, Galloway casts her gaze on the morals and ambitions of one small town, in writing that is personal, defiant and eloquent.

"With an Introduction by the author, 'The Importance of Being Bachman'."

Now a Netflix movie directed by Mike Flanagan (*Oculus*, *Hush*) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun— “And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone.” Once again, Jessie Burlingame has been talked into

submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind—as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers—an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you—to be read in a well-lit room only" (Los Angeles Times).
