It is a fine, judicious and balanced assessment of the complex facets of ordinary people's everyday experience under Stalinism in the 1930s. Foremost of these experiences was scarcity: scarcity of food, consumer goods, housing space - scarcity of everything in other words. 'Things mattered enormously in the Soviet Union of the 1930s,' writes Fitzpatrick, 'for the simple reason they were so hard to get'.

Everyday Stalinism: Ordinary Life in Extraordinary Times ...

"One of the most influential historians of the Soviet period describes what it was like to live under Stalin in the 1930s--the frantic, heroic, tragic decade of collectivization, forced-draft industrialization, and purges, when ordinary Russians struggled to find a wearable pair of shoes and lined up in subzero weather at two o'clock in the morning in the hope of getting 16 grams of bread....They were years of unimaginable hardship and brutality but also of idealism, a surreal melange that ...

Everyday Stalinism: Ordinary Life in Extraordinary Times ...

It captures the texture of daily life for ordinary people in Stalinist USSR. Many books recount the dramatic horrors of living during the Civil War, collectivization of the peasants, the great purges--but this focuses on how "small" people went about their days--confronting scarcity, propaganda, zealots, work politics, errant spouses, and their revolts through jokes, accidents, drinking and suicide.

Everyday Stalinism Ordinary Life in Extraordinary Times ...

Such was life for Soviet subjects in the 1930s, as revealed by Oxford University historian Sheila Fitzpatrick in her book *Everyday Stalinism*. In a concise and illuminating way, Fitzpatrick details the heartless brutality of the Soviet regime—its paralyzing, random rule of terror; cold-blooded, methodical ethnic and social cleansing; and cruel, premeditated eradication of hope, prosperity, and happiness.

Everyday Stalinism: Ordinary Life in Extraordinary Times ...

In a party dominated by intellectuals and rhetoricians, Stalin stood for a practical approach to revolution, devoid of ideological sentiment. Once power was in Bolshevik hands, the party leadership gladly left to Stalin tasks involving the dry details of party and state administration. In the power struggle that followed Vladimir Lenin's death in 1924, the intellectual sophistication and ...

Life in the Country The majority of people living during the Middle Ages lived in the country and worked as farmers. Usually there was a local lord who lived in a large house called a manor or a castle. Local peasants would work the land for the lord. The peasants were called the lord's "villeins", which was like a servant.
