"All good marketing is local. Global companies know this and are going "glocal." There is also a trend towards the Internet of Everything, which revolutionizes the whole marketing discipline. Svend Hollensen has captured all the latest trends very well with the new cases in his seventh edition of Global Marketing." Philip Kotler, S. C. Johnson & Son Distinguished Professor of International Marketing, Kellogg School of Management, Northwestern University In this era of increased globalisation, if there is one textbook that today's students and tomorrow's marketers need to read, it is Svend Hollensen's world renowned text. For over fifteen years "Global Marketing" has been the definitive, truly international guide to marketing. During that time, borders have become ever more transient and this book more central to the work of marketers all around the world. Now into its seventh edition, "Global Marketing" continues to be the most up-to-date and thorough text of its kind, with cutting-edge case studies and a focus on the impact of new technologies and perspectives on international marketing. This seventh edition expands on a number of new topics, including: shared economy solutions, social media, e-services and smartwatch app marketing, as well as many more. It is ideal for undergraduate and postgraduate students studying international marketing, and for any practitioners who want to take their global marketing strategies to the next level. "The world today truly is flat, and a sound global perspective is an absolute must for all students. Svend Hollensen's Global Marketing provides a thorough and comprehensive treatment that delivers on this need." Michael R. Solomon, Professor of Marketing, Haub School of Business, Saint Joseph's University, USA, and Professor of Consumer Behaviour, University of Manchester, UK The best textbook on global marketing I have come across! The case studies, many of them available online, provide an excellent basis for class discussion. Elisabeth Gotze, Vienna University of Economics and Business Excellent level of detail in each chapter to support learning around strategic global marketing decisions. The video case studies are a huge bonus and really help to bring the subject alive. Giovanna Battiston, Senior Lecturer in Marketing, Sheffield Hallam University Key Features include: A clear part structure, organised around the five main decisions that marketing people in companies face in connection to the global marketing process End of part and end of chapter case studies helping students to understand how the theory relates to real world application Video case studies (available at www.pearsoned.co.uk/hollensen), showing how practitioners are using Global Marketing in their work About the author Svend Hollensen is Associate Professor of International Marketing at the University of Southern Denmark and has worked as a marketing consultant for several international companies and organizations. There are many books on the market that discuss the Toyota Production System but few that insightfully analyze its marketing strategy. Authored by former Toyota marketing executives, this is the first book of its kind to detail how Toyota ' s thinking habits go beyond the shop floor and influence and guide Toyota ' s marketing function. Toyota has expanded from a venture enterprise to one of the biggest global enterprises because of its innovative mindset (Toyota thinking habits) using Breakthrough Thinking, which supports a new philosophical approach to problem solving, turning 180 degrees away from conventional thinking. Written by Toyota ' s former executive managing director and founder of Breakthrough Thinking, Toyota ' s Global Marketing Strategy: Innovation through Breakthrough Thinking and Kaizen: Explores Toyota ' s "Breakthrough Thinking" Examines how Toyota conducts information gathering. Illustrates how Toyota builds and maintains its unique business culture Shows how Toyota "goes to the customer" and comprehensively studies how customers use their products Reveals Toyota ' s cars have become some of the biggest selling models in the USA The authors of this book explore Toyota thinking habits as well as Toyota ' s global marketing strategy, which, since the 1980sa, has been expanding exponentially. The reader will understand the importance of thinking habits in the workplace and will know how to apply them using Toyota as the prime case study.

The definitive text on globalization, this book provides an accessible, jargon-free analysis of how the world economy works and its effects on people and places. Peter Dicken synthesizes the latest ideas and empirical data to blaze a clear path through the thicket of globalization processes and debates. The book highlights the dynamic interactions among transnational corporations, nations, and other key players, and their role in shaping the uneven contours of development. Mapping the changing centers of gravity of the global economy, Dicken presents in-depth case studies of six major industries. Now in full color throughout, the text features 228 figures. Companion websites for students and instructors offer extensive supplemental resources, including author videos, applied case studies with questions, lecture notes with PowerPoint slides, discipline-specific suggested further reading for each chapter, and interactive flashcards. ÿ ÿ **New to This Edition:** *Every chapter thoroughly revised and updated. *All 228 figures (now in color) are new or redesigned. *Addresses the ongoing fallout from the recent global financial crisis.

Given the need for Indian managers to be fully aware of the issues related to International Marketing, this has emerged as a major study area over the last few years. It constitutes an integral part of the syllabi in most reputed business schools. International Marketing Management: Text and Cases attempts to make learning the nuances of the subject easy from the students' viewpoint. Some of its key features are: - An analysis of international trade, economic free trade zones, embargoes on exports, and the tariff and non-tariff barriers that companies face - The role of international organisations under the aegis of the United Nations in international marketing - The systems and the forms used in international marketing in India - A focus on the importance of stakeholders of a company for corporate survival - Highly developed and class-tested management games The interactive management games and carefully selected case studies provide hands-on corporate experience to students, making the book invaluable for those pursuing MBA, BBA and MIB programmes. It would also be of interest to corporate marketing heads and others in the field of marketing.

NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers.
