Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Jan Richardson's highly anticipated update to the classic bestseller *The Next Step in Guided Reading* helps you and your students move forward."

Nora Rose Rowley is a genius, but don't tell anyone. Nora's managed to make it to the fifth grade without anyone figuring out that she's not just an ordinary kid, and she wants to keep it that way. But then Nora gets fed up with the importance everyone attaches to test scores and grades, and she purposely brings home a terrible report card just to prove a point. Suddenly the attention she's successfully avoided all her life is focused on her, and her secret is out. And that's when things start to get really complicated....

Describes the philosophy of the Daily 5 teaching structure and includes a collection of literacy tasks for students to complete daily.

Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson's powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus. Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, transitional, and fluent

leads to the discovery and understanding of a general principle. Growing out of the interactive read-aloud experience and linked to independent reading, teachers use many of these texts as examples from which they generalise the understanding. Each of the four types of reading minilessons (management, literary analysis, strategies and skills, and writing about reading) in *The Reading Minilessons Book* is organised into broad categories, or "umbrellas." An umbrella helps children develop a deeper understanding of concepts and their application. As lessons build on each other, teachers will often make an anchor chart, or visual representation, that can be referenced again and again as children encounter new texts and/or minilessons. *The Fountas & Pinnell Classroom(tm) Reading Minilessons Book, Grade 5* contains 225 reading minilessons.

"Engages students in inquiry that leads to the discovery and understanding of a general principle they can apply to their own independent reading" --
