In the book "Harriet Tubman: The Road to Freedom," the life of Harriet Tubman is examined. Most of the information is pure fact, but some of the information is educated guesses. Because written documents were not required in the 1800's most of the educated guesses are from scientist that tried to reenact Tubman's life with what they do know about her.

Tubman is a fascinating and certainly heroic individual. Clinton manages to do a good job creating a highly readable book despite frequent admissions that there is an awful lot that we don't know, due in part to the fact that Tubman remained illiterate her entire life. At the same time, Clinton seems a bit starstruck by her subject.
