to impress, the heavily illustrated "Via Belgica" with its surrealistic personages on the real background adds another adventure to "Margot on a Roman Road" series, along with "Via Aurelia," "Via Claudia-Augusta," "Via Domitia," "Via Fossa," "Via Maris" and "Via Militaris." Where you still are unable to find the destination of your heart, the other 80+ travel diaries from this author may offer a pleasant remedy.

Prior to the development of a simple test called the Apgar score, many newborn babies missed receiving the urgent care they needed at birth. Dr. Virginia Apgar came up with the Apgar score to help these newborns by rating them in a number of different health areas. The savior of countless young lives, Virginia

Apgar is hailed as a legend, a trailblazer, and an inventor. Readers delve into the riveting story of a medical legend who inspired women doctors to succeed at a time when society did not value the contributions of women in the work force.

This newly up-to-date edition of the best-selling DIY reference *Small Engines and Outdoor Power Equipment* offers them same great comprehensive and illustrated instruction but with new and improved content for today's motorized equipment.

Domestic violence still remains the most prevalent form of violence against women in the United States, in spite of media campaign attempts to educate the public

about the issue. Moreover, there have been surprisingly few scientific surveys conducted to compile the knowledge base and attitude data needed if more effective primary prevention media education programs are to be developed. This volume, based on public opinion surveys carried out between 1992 and 1996, fills the gap in the literature. Following an overview of the battered women's movement, the authors examine both current public perception of the problem and intervention issues.

An unflinching eyewitness account of the Ford story as told by one of Henry Ford's closest associates.
