This attractive, full-colour coursebook covers the seven topics of the Higher Level extension (HL) syllabus in Geography for the International Baccalaureate (IB) Diploma. It explores the HL theme, Global Interactions, emphasising the various scales at which issues can be studied, and identifying and carefully explaining key global issues. The coursebook guides students through the HL syllabus, building geographical skills and making connections to other areas of the Geography course and to concepts in the Theory of Knowledge. It also encourages detailed study of primary and secondary sources, developing students' analytical skills. The content is tailored to the requirements and assessment objectives of the IB syllabus, making it relevant to the way in which the subject is taught, assessed and examined.

Thorough and engaging, this new book has been specifically developed for the 2011 English A: Literature syllabus at both SL and HL. With activities, student model answers and examiner commentaries, it offers a wealth of material to support students in every aspect of the new course.
