This must-have resource encourages fourth grade students to reinforce their knowledge of mathematical and language arts grade-level skills! Focusing on specific Common Core Standards, this resource is designed to be robust and relevant to the real world, helping students prepare themselves for life beyond their educational careers. Students will gain regular practice through the quick activities found in each book. Perfect for additional practice in the classroom or at home! The book contains a Teacher Resource CD with PDFs of the activity pages. This resource was developed with Common Core State Standards as its foundation and is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills.

Help your students develop logical reasoning and critical thinking skills. This new book from bestselling authors and popular consultants Tammy Jones and Leslie Texas offers authentic logic-building activities and writing strategies that can be used across all subject areas in grades 9-12. Filled with hands-on activities and photocopiable tools, Strategic Journeys will help you guide your students into deeper thinking to go beyond the surface of content to true understanding. Topics include: Identifying opportunities for students to engage in meaningful and relevant writing across the content areas; Introducing a logical reasoning process, questioning structure, and bridging models to allow students to delve deeper into problems; Incorporating literature to increase student engagement and make content come alive for your students; Building vocabulary and literacy skills through fun activities aimed at increasing proficiency; Using the Three Phases of Logical Reasoning to plan lessons effectively, help students reflect on their progress, and implement the strategies successfully. The strategies in this book have been implemented in hundreds of classrooms around the country, and have been proven to increase student engagement, promote higher-order thinking and in-depth reasoning, and improve overall achievement.

Help your students develop logical reasoning and critical thinking skills.
