Kaplan has been re-releasing this guide every year since the current version of the GRE debuted in 2011, which is to say the majority of the content is recycled from any edition in the last 8 years. The lone, substantive change is that this book now grants access to fewer practice tests and less online material.

## GRE: Which Course is Better?

Kaplan's latest version of their GRE prep guide, like its previous versions, is a basic primer for the test, but not what I'd recommend. I think it is inferior to its competition in several important ways. 1. First, this book is a one-size-fits-all book.
