The loose tea leaves are steeped in hot water twice for exactly six minutes. Then, honey, rose water and vanilla extract are added. This mixture simmers over low heat until it reduces to a concentrate. This is the base of the latte. The idea for a rose tea latte came from one of the staff members at the Special Tea House, Brianna Mutell.

~~The popular rose latte is back at the Special Tea House ...~~

A Brief History of Afternoon Tea . Legend has it that afternoon tea was started in the mid-1800s by the Duchess of Bedford. Around this time, kerosene lamps were introduced in wealthier homes, and eating a late dinner (around 8 or 9 p.m.) became fashionable.

Teatime is the time at which the tea meal is usually eaten, which is late afternoon to early evening, being the equivalent of merienda. Tea as a meal is associated with Great Britain, Ireland, and some Commonwealth countries. Some people in Britain refer to their main evening meal as "tea" rather than dinner or supper. This article is instead concerned with the various types of secondary, lighter, meals called "tea".

~~Tea (meal) — Wikipedia~~

If you poured boiling hot tea into poor quality china it would crack, thus the addition of the tea first was a way to say that your china was of the best quality. *Images Petite Pippin High Tea. 6. The napkin should be placed on the left hand side of your place setting. It should be folded with the closed edge towards the left and the open edge ...
