case studies on the deterrent effect of international criminal tribunals in ten situations, six of which are International Criminal Court situations. The case studies cover four different international tribunals. This gives a new comparative perspective on the impact of international

Read Online Manual

criminal law since the early 1990s. The book seeks to contribute to an important discourse on deterrence: on how international criminal tribunals can assist in a global, co-operative effort to prevent core international crimes. Thirteen authors draw on both quantitative and qualitative factors to assess the rise and fall of

Political biography of Adam Malik, Minister of Foreign Affairs, 1967-1977, and Vice-President of Indonesian, 1978-.

Europe in the Media

Read Online

Manual

draws together the results of several research projects that examined media coverage of European political and cultural affairs and media representations of Europe. The book attempts to outline some of the important debates regarding European integration and to describe the media

Read Online Manual

landscape in which these debates are informed, reflected, and facilitated. The research presented sought to answer several questions, namely the role of the media in the democratic process at the European level and the extent to which the media contributes to and reflects the process of European integration.

Read Online Manual

The book provides a wide scope of comparative analysis, allowing for an extremely interesting overview of the way that national media systems in France, Germany, Ireland, Italy, the Netherlands, Poland, Spain, Sweden, and the United Kingdom approach the issue of European integration.

broadcasters in six

Read Online Manual

countries. This volume addresses debates and analysis from the fields of political science in relation to the process of European integration, EU policymaking and public participation and opinion-formation. It also outlines relevant media theory regarding the relationships between the media and democracy, and the

Read Online Manual

media and identity formation. In this way, the book provides a valuable link between these two separate fields of investigation in an area that is of increasing interest to academics, students, politicians, and journalists.

Raffaello Borghini's *Il*

Riposo (1584) is the

most widely known

Florentine document on

the subject of the

Counter-Reformation

content of religious

paintings. Despite its

reputation as an art-

historical text, this is the

first English-language

translation of *Il Riposo*

to be published. A

Read Online Manual

distillation of the art gossip that was a feature of the Medici Grand Ducal court, Borghini's treatise puts forth simple criteria for judging the quality of a work of art. Published sixteen years after the second edition of Giorgio Vasari's *Vite*, the text that set the standard for art-historical writing during the period, *Il Riposo*

Read Online Manual

focuses on important issues that Vasari avoided, ignored, or was oblivious to. Picking up where Vasari left off, Borghini deals with artists who came after Michaelangelo and provides more comprehensive descriptions of artists who Vasari only touched upon such as Tintoretto, Veronese,

Read Online Manual

Barocci, and the artists of Francesco I's Studiolo. This text is also invaluable as a description of the mid-sixteenth century reaction against the style of the 'maniera,' which stressed the representation of self-consciously convoluted figures in complicated works of art. The first art treatise specifically

Read Online Manual

Directed toward non-practitioners, *Il Riposo* gives unique insight into the early stages of art history as a discipline, late Renaissance art and theory, and the Counter-Reformation in Italy.
