The recommended servicing procedures for the vehicle in this workshop manual were developed with Ford/Mazda-trained technicians in mind. This manual may be useful to non-Ford/Mazda trained technicians, but a technician with our service-related training and experience will be at less risk when performing service operations.

There was also a diesel option, first in the form of the Mazda-sourced engine and the latter as a more powerful unit from Mitsubishi. Transmission options included four-speed manuals and three-speed auto, with the five-speed manual and four-speed variants coming in later years. Because of strong competition and conservative appearance, initial sales of the new Ranger were slow. As time went by ...
