but have found yourself overcome with limiting beliefs, then keep reading... Are you sick and tired of not engaging in the self-talk and positive thinking you wish? Have you tried endless other solutions, but nothing seems to work for more than a few weeks? Do you finally want to say goodbye to sacrificing your sanity and limiting yourself, and discover something which works for you? If so, then you've come to the right place. Even if you've attempted other self-help solutions like meditation, mantras, and mindfulness, without success, your goals can still be achieved. A study from Stanford Medicine demonstrated that hypnosis actively alters neurons in the brain, and was concluded as a powerful means of changing the way we use our minds to control perception. Another report from Thrive Hypnotherapy stated that hypnosis increased self-esteem and serenity to considerable levels, which means you can get mental

clarity and a successful mindset without unnecessary or detrimental sacrifices. In this book, you will be taken through: • 1 deep guided hypnosis session • 1 short guided hypnosis session • 1 short guided meditation • Affirmations for positivity, success and a millionaire mindset! • The 4 essential steps to wealth, success, and prosperity • 3 myths regarding a millionaire mindset • Ancient wisdom and unique insights into the power of meditation, affirmations, and hypnosis And much, much more! Take a moment to imagine how you'll feel once you live life with the mind you desire, and how your family and friends will react when you surprise them with your wisdom, sight, and a newfound sense of success. So, even if you're deeply uninspired and lack all sense of mental strength and a positive outlook in life, you can shift your entire way of perceiving with the millionaire mindset hypnosis, affirmations, and meditation.

Change Your Habits, Change Your Life is the follow-up to Tom Corley's bestselling book "Rich Habits." Thanks to his extensive research of the habits of self-made millionaires, Corley has identified the habits that helped transform ordinary individuals into self-made millionaires. Success no longer has to be a secret passed down among only the elite and the wealthy. No matter where you are in life, "Change Your Habits, Change Your Life" will meet you there, and guide you to success. In this book, you will learn about:

Billionaires are extremely rare, and their mindset differs hugely

from ordinary millionaires. The author worked with some of the very best entrepreneurs and distilled their secrets into 20 principles that enabled them to start from zero and create billions in value. This book gives you the roadmap to follow their path to extreme wealth and success.

If you want to be a millionaire, then keep reading. If you've been struggling to amass wealth, then keep reading. Do you want to learn the secrets of becoming a millionaire? Do you feel stuck in a rut and ready to learn new habits? While we've all dreamt big such as driving big cars, and splashing money on luxuries we have always wanted, chances are you've considered this as a daydream despite moving on to purchase a scratch card every time you step out to buy milk. However, becoming a millionaire isn't difficult and

unattainable as you may think. Many people prove every year that you don't need to be working in a bank or win a lottery to build up your wealth to seven figures. And for many rich-listeners, becoming a millionaire is more a matter of lifestyle and not having to be scared about your finances, than how much you have kept in the bank. To live like a millionaire, you don't need to have a million pounds saved in the bank. In fact, 99% of millionaires don't. To become a millionaire, you will, for sure, require to be on top of your finances and investments. Becoming a millionaire can mean all sorts of things, but in this book, we're typically mapping out a realistic path to growing your wealth past £1,000,000. This book quickly walks through the whole of your life, reviewing the steps you can take to become a millionaire. To go straight to the point, successful people have successful habits, and unsuccessful people

do not. In this book, you will discover the million-dollar habits of men and women who started from rags to riches in one generation. You will discover how to think more effectively, make better decisions, and take more effective actions than other individuals. You will discover how to plan your financial life in such a way that you accomplish your financial goals quicker than you imagine. One of the most critical goals you must accomplish to become happy and successful is the development of your character. You want to become a great person in every area of your life. You want to become that person that others look up to and admire. In each case, the crucial factors in the accomplishment of each of these goals that we all share in the development of specific habits that result in what you want to accomplish. Remember, if you keep doing what you've always done, you will never break away from your job slavery. You

examination of one of the most powerful and under-appreciated processes in the mind. Although people like to think that they are in control, much of human behavior occurs without any decision-making or conscious thought. Drawing on hundreds of fascinating studies, psychologist Jeremy Dean busts the myths to finally explain why seemingly easy habits, like eating an apple a day, can be surprisingly difficult to form, and how to take charge of your brain's natural "autopilot" to make any change stick. Witty and intriguing, *Making Habits, Breaking Habits* shows how behavior is more than just a product of what you think. It is possible to bend your habits to your will -- and be happier, more creative, and more productive.

Life can be tough sometimes, can't it? It can be difficult to figure out how to improve your chances to succeed, especially when

things seem to be going badly. You might feel like you have nowhere to turn, and you may be clueless as to how you can get started on a path to a better you. In some cases, you might even be so bogged down with negativity that you cannot figure out what your ultimate goal should be. There is no need to worry! You can make a change more easily than you might think. When you change your habits, you will change your life. Bad habits are often responsible for many of the biggest problems you face day to day. Your bad habits might be causing you excess stress or taking up your time without your even realizing it. On the other hand, practicing good habits can help set you up for success in the future. When you regularly put forth the effort to maintain your good habits, you can work your way to more money, better relationships, and a happier lifestyle. Check out the pages of this book to answer

Billionaires think differently than most people. If you took away all of Donald Trump's money, he would be right back to where he is today because of the way he thinks. Scot Anderson shares that if you learn to think like a billionaire, then you can become one. Scot takes you on the journey he took in changing the way he thinks. He went from getting by to having millions of dollars and on his way to getting billions. Scot teaches you how to think differently about money, investing, jobs, risks, problems, preparation, and time. As you begin to think like a billionaire, your life has no choice but to
