Moving Forward Sideways Like A Crab Quotes by Shani Mootoo

Written in vibrant, supple prose that vividly conjures both the tropical landscape of Trinidad and the muted winter cityscape of Toronto, Moving Forward Sideways Like A Crab is a passionate eulogy to a beloved parent, and a nuanced, moving tale about the struggle to embrace the complex realities of love and family ties.

Short-listed for the Lambda Literary Award from the author of Cereus Blooms at Night. “ A fascinating premise that gives voice to the queer-identified ” (The Globe and Mail, Toronto). Jonathan Lewis-Adey was nine when his parents separated, and his mother, Sid, vanished entirely from his life. It is not until he is a grown man that Jonathan finally reconnects with his beloved lost parent, only to find, to his shock and dismay, that the woman he knew as “ Sid ” in Toronto has become an elegant man named Sydney living in his native Trinidad. For nine years, Jonathan has paid regular visits to Sydney on his island retreat, trying with quiet desperation to rediscover the parent he adored inside this familiar stranger, and to overcome his lingering confusion and anger at the choices Sydney has made. At the novel ’ s opening, Jonathan is summoned urgently to Trinidad where Sydney, now aged and dying, seems at last to offer him the gift he longs for: a winding story that moves forward sideways as it reveals the truths of Sydney ’ s life. But when and where the story will end is up to Jonathan, and it is he who must decide what to do with Sydney ’ s haunting legacy of love, loss, and acceptance. “ The novel ’ s evocation of the light and sights of Trinidad, its tropical over-ripeness and the scary suddenness of night ’ s onset, are vivid. But most vivid of all is the sensitive, wise Sid/Syd, whose tragedy is to never have been loved the way she/he deserved. ” —Toronto Star “ Mootoo ’ s character-driven novel is rich in setting and slow in pace, inviting the reader to linger over its closely observed details. ” —Booklist

LONGLISTED 2014 — Scotiabank Giller Prize From the author of Cereus Blooms at Night and Valmiki ’ s Daughter, both nominated for the Scotiabank Giller Prize, comes a haunting and courageous new novel. Written in vibrant, supple prose that vividly conjures both the tropical landscape of Trinidad and the muted winter cityscape of Toronto, Moving Forward Sideways Like A Crab is a passionate eulogy to a beloved parent, and a nuanced, moving tale about the struggle to embrace the complex realities of love and family ties. Jonathan Lewis-Adey was nine when his parents, who were raising him in a tree-lined Toronto neighbourhood, separated and his mother, Sid, vanished from his life. It was not until he was a grown man, and a promising writer with two books to his name, that Jonathan finally reconnected with his beloved parent—only to find, to his shock and dismay, that the woman he ’ d known as “ Sid ” had morphed into an elegant, courtly man named Sydney. In the decade following this discovery, Jonathan made regular pilgrimages from Toronto to visit Sydney, who now lived quietly in a well-appointed retreat in his native Trinidad. And on each visit, Jonathan struggled to overcome his confusion and anger at the choices Sydney had made, trying with increasing desperation to rediscover the parent he ’ d once adored inside this familiar stranger. As the novel opens, Jonathan has been summoned urgently to Trinidad where Sydney, now aged and dying, seems at last to offer him the gift he longs for: a winding story that moves forward sideways as it slowly peels away the layers of Sydney ’ s life. But soon it becomes clear that when and where the story will end is up to Jonathan, and it is he who must decide what to do with Sydney ’ s haunting legacy of love, loss, and acceptance.

Jonathan was nine when his mother Sid vanished from his life and it was not until he was a promising writer when he finally reconnected with his beloved parent. But the woman he’d known as “Sid” had morphed into an elegant man named Sydney. In the decade following this discovery, Jonathan made regular pilgrimages from Toronto to visit Sydney, who now lived quietly in his native Trinidad. And on each visit, Jonathan struggled to overcome his confusion and anger at the choices Sydney had made, trying with increasing desperation to rediscover the parent he’d once adored inside this familiar stranger.

A novel reminiscent of the works of Herman Koch and Rachel Cusk, in which a lesbian couple attempts to escape the secrets of their pasts. “A slow-burning examination of identity, gender, desire, and immigration...Mootoo’s subtle, thought-provoking tale stands out among stories of characters gripped by the past.” --Publishers Weekly “Compellingly charts the complexity of human relationships, the illusions of memory, and the corrosive power of denial.” --Kirkus Reviews “Polar Vortex is a powerful, fraught, and inventive exploration of the impossibility of ever really knowing the people we come to love. Told in urgent, incandescent prose and effortlessly spinning in and out of time, the book is an intimate and starkly honest examination of the complexities of sexual identity, lust, shame, regret, and how we, no matter where we come from or how we identify, are at our most complicated when it comes to the whims and failings of the human heart.” --Joe Meno, author of Marvel and a Wonder “How to know the shifting pieces of ourselves, how to acknowledge contradictory desires, as we are pulled into the maelstrom of desire and memory? Shani Mootoo’s intimate new novel suspends us in the vortex between acts of betrayal and acts of love. It is a powerfully unsettling work from a brilliant artist.” --Madeleine Thien, author of Do Not Say We Have Nothing “The past isn’t even past--and the present is tense with conflicting desires and untold stories. What brings clarity to this setting is Shani Mootoo’s limpid prose, clean and bracing. Polar Vortex is an honest, but also moving, exploration of true intimacy.” --Amitava Kumar, author of Immigrant, Montana “What a gorgeous and thrilling novel. Beautifully crafted, with perfect form and icy-clear tone--Shani Mootoo held me under her spell until the shock and release of the last page!” --Sarah Selecky, author of Radiant Shimmering Light Polar Vortex is a seductive and tension-filled novel about Priya and Alex, a lesbian couple who left the big city to relocate to a bucolic countryside community. It seemed like a good way to leave their past behind and cement their newish, later-in-life relationship. But there’s leaving the past behind--and then there’s running away from awkward histories. Priya has a secret--a long-standing, on-again, off-again relationship with a man, Prakash. In Priya’s mind Prakash is little more than an old friend, but in reality things are a bit complicated. Why has she never told Alex about him? Prakash has tracked Priya down in her new life, and before she realizes what she’s doing, she invites him to visit. Alex is not pleased, and soon the existing cracks in their relationship widen, revealing secrets Alex herself would have preferred to keep. Into the fissure walks Prakash, whose own agenda forces all three to face the inevitable consequences of their choices.

Een welvarende familie op Trinidad weet niet goed raad met seksualiteit.

“ A classic Romeo and Juliet love story ” spanning decades from the World War II Caribbean to modern-day Vancouver (The Washington Post Book World). At the dawn of the Second World War on the island of Guanagaspar, Harry, the son of a widowed maid, and Rose, the daughter of his mother ’ s well-to-do employer, are inseparable as children. Blissfully unaware, they form a connection that knows nothing of race or class hierarchies defining their society. Then one night, after American troops occupy Guanagaspar, their deep friendship is exposed and severed. When Harry and Rose meet again in Canada years later, the gulf separating them is not so apparent. As a passion long repressed is rekindled, Rose takes it upon herself to reroute their destinies. A “ transcendent tale of souls wounded by circumstance and rehabilitated by love ” (Booklist, starred review), He Drown She in the Sea is a lyrical, sensuous, and suspenseful story about the origins of desire and the sacrifice and euphoria that come with defying the life one is born into. With a “ narrative pacing verg[ing] on genius . . . The worlds revealed are lush and brilliant. The journey is delightful ” (Edmonton Journal).

FINALIST FOR THE GILLER PRIZE FINALIST FOR THE ETHEL WILSON FICTION PRIZE Bold and lyrical, sensual and highly charged, Cereus Blooms at Night is the beautifully written, sensational first novel by Shani Mootoo, one of Canada ’ s most exciting literary voices. At the core of this haunting multi-generational novel are the shifting faces of Mala—adventurer and protector, reclude, and madwoman. Told by the engaging voice of Tyler, Mala ’ s vivacious male caretaker at the Paradise Alms House, Cereus Blooms at Night is layered with unforgettable scenes of a world where love and treachery collide.

In Up, Down, or Sideways, Mark Sanborn, author of the bestselling book The Fred Factor, prepares you for life ’ s inevitable cycles of up and down—and, too often, sideways. We tend to be surprised when downturns hit us and treat them as the exception—and when times are good, we act as if they will never change. In this book, Mark shows us what we should always be doing to be prepared for these cycles and events in our lives in order to make the most of them. Mark tells his own story of a downturn he experienced. Then, he identifies the principles and practices that will help you discover opportunities in both good times and bad, in up and sideways years. Mark provides timely wisdom that can ’ t be ignored no matter where you are in your personal or professional life.

Sideways is the story of two friends-Miles and Jack-going away together for the last time to steep themselves in everything that makes it good to be young and single: pinot, putting, and prowling bars. In the week before Jack plans to marry, the pair heads out from Los Angeles to the Santa Ynez wine country. For Jack, the tasting tour is Seven Days to D-Day, his final stretch of freedom. For Miles--who has divorced his wife, is facing an uncertain career and has lost his passion for living-the trip is a weeklong opportunity to evaluate his past, his future and himself. A raucous and surprising novel filled with wonderful details about wine, Sideways is also a thought-provoking and funny book about men, women, and human relationships.

It's not easy being Claire. (Really.) Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her -- if anything, they seem to be more in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic -- while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious -- and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again.
