Odd John Olaf Stapledon

One of my first articles was on a comparison of Olaf Stapledon's Odd John and Sirius. At that time, the mid-1970s, there just wasn't much sf criticism in existence. Even a short time ago when I ...

The Pleasures and Perils of Teaching Science Fiction on the College Level

Abstract .--More explicitly than anyone writing before him, Stapledon saw SF as a tool for philosophic inquiry and as an agency for moral growth. In prosecuting this ultimately serious aim, Stapledon ...
