This book provides students of marketing with everything they need to understand and prepare a comprehensive marketing plan. Written in Dr. Wong's vivid and interesting style, and furnished with examples for new products and services, this book helps students to demystify the ingredients of an approved marketing plan. Advance Praise for Approved Marketing Plans for New Products and Services Dr. Ken Wong's latest work exemplifies the unassuming and straightforward style he is so famous for. Ken has obviously worked very hard to make things easy for the reader. The work is a step-by-step, logical, detailed and multi-faceted approach to writing the all-important Marketing plan. Maurice Williams, PMC, Former Chief Marketing Officer, SingPost, Singapore This book helps people to prepare the blueprint of a marketing plan. I learnt a lot from this book and this is a must read for anyone who wants to successfully plan for marketing their products or services. Thanks Professor Ken Wong for bringing out such an excellent textbook. Rajen Kumar Shah, Chartered Accountant, DISA, Aditya Birla Group, India

This special edition of Greg Mankiw’s intermediate macroeconomics textbook takes the same approach that made the parent text a bestseller, but with coverage shaped to address fiscal policy, monetary/exchange-rate policy, deficit reduction, and other critical economic issues from the uniquely Canadian perspective. Like Mankiw’s Macroeconomics, the Canadian edition teaches fundamentals by relating theoretical concepts to big issues and policy debates, but illustrates those ideas and discussions with examples and cases from Canada, as well as research by Canadian economists.

This textbook explores the fundamental principles of marketing applied to tourism and hospitality businesses, placing special emphasis on SMEs in the international tourism industry. It includes examples from a wide range of destinations, from emerging markets to high-income countries. Taking a comprehensive approach, the book covers the whole spectrum of tourism and hospitality marketing including destination marketing, marketing research, consumer behaviour, and digital and social media marketing. Practical in focus, it gives students the tools, techniques, and underlying theory required to design and implement successful tourism marketing plans. Chapters contain in-depth case studies, including companies like Marine Dynamics Shark Tours (South Africa), Reality Tours & Travel (Mumbai, India), and Makeover Tours (Turkey). Thematic case studies include ‘Halal Tourism in Southeast Asia’, and ‘Marketing and Branding Rwanda’. These illustrate key concepts and theory, with definitions, key summaries, and discussion questions providing further insights. This textbook is ideal for undergraduate and postgraduate students looking for a comprehensive text with a practical orientation.

Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the world outside the classroom.

This new edition balances the theoretical and the practical for advanced undergraduates, those specialising in financial services at postgraduate level, individuals undertaking professional courses such as those offered by the IFS School of Finance, and employees working within the financial services sector. Ennew & Waite draw from global business cases in both B2B and B2C marketing, taking a unique approach in terms of structure by splitting discussion between marketing for acquisition and marketing for retention. This fully updated and revised second edition features: A revised approach to the industry in the light of the global financial crisis, including ethical considerations, consumer confidence issues, and new approaches to regulation New sections on e-commerce and its impact on customer relationships New case studies and vignettes A new companion website to support teaching, including PowerPoint slides, test bank questions, additional cases and cameo video mini-lectures. Financial Services Marketing 2e will help the student and the practitioner to develop a firm grounding in the fundamentals of financial services strategy, customer acquisition and customer development. Reflecting the realities of financial services marketing in an increasingly complex sector, it provides the most up-to-date, international and practical guide to the subject available.

Now readers can master the principles of macroeconomics with the help of the most popular introductory book in economics today that is widely used around the world -- Mankiw's BRIEF PRINCIPLES OF MACROECONOMICS, 8E. With its clear and engaging writing style, this book emphasizes only the material that readers are likely to find most interesting about the economy, particularly if they are studying economics for the very first time. Reader discover interesting coverage of the latest relevant macroeconomic developments with real-life scenarios, useful economic facts, and clear explanations of the many ways macroeconomic concepts play a role in the decisions that individuals make every day.
