Revel The Struggle for Democracy gives students the tools they need to decode the American political system, analyze its pieces, consider its linkages, and identify opportunities to make a difference. Taking a fresh approach to common American government topics, authors Edward Greenberg and Benjamin Page present a simple but powerful framework of evidence-based research to guide students to discover how government, politics, and the larger society are intertwined.

Greenberg & Page, The Struggle for Democracy, 2018 ...

Revel The Struggle for Democracy offers students the tools they need to critically analyze our political system and make judgments about how well our government works. Taking a fresh approach to common American government topics, authors Edward Greenberg and Benjamin Page provide an analytical framework for understanding how politics and government work, and encourage students to consider the questions "How democratic are we?" and "Can government do anything well?"
