Welcome to THE Suzuki RF Page! Originally set-up by RF owners Andrew Rose and Paul Flemming from the UK in July 2008, this group has since become the largest international Facebook Group for those who admire and/or own the Suzuki RF400, 600 or 900.. This page was set-up in admiration for the superbly-crafted and massively under-rated RF series, sold in the UK from approximately 1993 to 1999.

The manual contains procedures for the inspection/service and overhaul of the main components of the RF600F. The supplementary manual describes service data, service specifications, and servicing procedures which differ from those of the RF600RR('94 model).

By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later

operation, and accurate step-by-step instructions. If you are looking for better understanding of your BMW, look no further than Bentley. Even if you do not repair your own vehicle, knowledge of its internal workings will help you when discussing repairs and maintenance with your professional automotive technician. This Bentley Manual is the only comprehensive, single source of service information and specifications available specifically for BMW 5 Series from 1997 to 2002. The aim throughout this manual has been simplicity, clarity and completeness, with practical explanations, step-by-step procedures and accurate specifications. Whether you are a professional or a do-it-yourself BMW owner, this manual will help you understand, care for and repair your E39 5 Series. Though the do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information, the BMW owner who has no intention of working on his or her car will find that reading and owning this manual will make it possible to discuss repairs more intelligently with a professional technician.
