While still firmly in Gee's work on discourse and discourse analysis, Anti-Education Era is a much less academic book aimed at those outside of the ivory tower. Despite this, the points that Gee makes still hold quite a bit of water and tie back into his work in academia. In this book, Gee does a good job at outli

The Anti-Education Era on Apple Books

ERA would impact the privacy and safety of women and girls by removing gender designations for bathrooms, locker rooms, jails and hospital rooms. The ERA will not give women any more rights than they currently have. Women already have claim to equal rights through the 14th Amendment (section 1) as well as numerous other laws in virtually all areas of American life – employment (including equal pay), education, credit eligibility, housing, public accommodations, etc.
