The Chasm of Fire is a dungeon located in the north-west corner of Shayzien, housing a variety of demons. All of the demons can only be killed while on a slayer task . A dwarf multicannon can be used in the chasm, although it is not a multi-combat area. At the bottom floor are several burnt bone and fire rune spawns.

One of the true classics of women's spirituality. Distraught by the untimely death of her husband, Irina Tweedie awakened to a religious and spiritual quest which took her to India, where she found a Sufi teacher who was to revolutionize her life. This book was written from the diary she kept while under his tutelage.

The Chasm of Fire: A Woman's Experience of Liberation ...

Azeril can't remember anything about his life before he came to live as a ward of the Church--except his desire to assassinate wizards. He's become the Church's most cunning weapon. By day, Az hides in plain sight as a student, with only his beloved obsidian knife as a reminder of who he is. Until one night, when a wizard recognizes him from his past. The killer in Az never misses his mark, but he can't destroy the only potential link to his life before this. For the first time, Az has a lead on who he used to be--if only he could escape the watchful eye of the High Priest long enough to investigate. Azeril discovers that the line between good and evil--the primal forces of the Fire and the Chasm--is as shifting as his own moral compass. And the truth about who he is will put his entire world in danger.

Irina Tweedie's unique account of the slow and painful grinding down of the personality at the hands of a Sufi Master. This diary spans five years, making up an amazing record of spiritual transformation. From a psychological perspective, this diary maps the process of ego dissolution, gradually unveiling the oneness and love that reside beneath the surface of the personality. Mrs. Tweedie is the first Western woman to be trained in this ancient yogic lineage.

Return to the dazzling world of Revelation Space with this British Science Fiction Award-winning space opera about a young man hell-bent on revenge on the surface of a twisted, disease-corrupted planet. The once-utopian Chasm City -- a domed human settlement on an otherwise inhospitable planet -- has been overrun by a virus known as the Melding Plague, capable of infecting any body, organic or computerized. Now, with the entire city corrupted -- from the people to the very buildings they inhabit -- only the most wretched sort of existence remains. For security operative Tanner Mirabel, it is the landscape of nightmares through which he searches for a lowlife postmortal killer. But the stakes are raised when his search brings him face to face with a centuries-old atrocity that history would rather forget. One of Locus and Science Fiction Chronicle's "Best SF Novels of the Year"

Here is the bestselling guide that created a new game plan for marketing in high-tech industries. Crossing the Chasm has become the bible for bringing cutting-edge products to progressively larger markets. This edition provides new insights into the realities of high-tech marketing, with special emphasis on the Internet. It's essential reading for anyone with a stake in the world's most exciting marketplace.

A dystopian coming of age which will appeal to fans of Hunger Games and the Divergent novels. In the year 2090, America is walled off from the rest of the world. When her father is arrested by the totalitarian Board, a young woman sets out to escape the only country she's ever known.

Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

It's been three months since the Winterians were freed and Spring's king, Angra, disappeared—thanks largely to the help of Cordell. Meira just wants her people to be safe. When Cordellan debt forces the Winterians to dig their mines for payment, they unearth something powerful and possibly dangerous: Primoria's lost chasm of magic. Theron is hopeful and excited—with this much magic, the world can finally stand against threats like Angra. But Meira knows that the last time the world had access to so much magic, it spawned the Decay. So when the king of Cordell orders the two on a mission across the kingdoms of Primoria to discover the chasm's secrets, Meira plans to use the trip to garner support to keep the chasm shut and Winter safe—even if it means clashing with Theron. But can she do so without endangering the people she loves? Mather just wants to be free. The horrors inflicted on the Winterians hang fresh and raw in Januari—leaving Winter vulnerable to Cordell's growing oppression. When Meira leaves to search for allies, he decides to take Winter's security into his own hands. Can he rebuild his broken kingdom and protect them from new threats? As the web of power and deception is woven tighter, Theron fights for magic, Mather fights for freedom—and Meira starts to wonder if she should be fighting not just for Winter but for the world.
