Packed with original translations, The Heart of Haiku is an elegant and reverent exploration of an itinerant artist who "wanted to renovate human vision by putting what he saw into a bare handful of mostly ordinary words, and... to renovate language by what he asked it to see." Absolutely no prior interest in poetry is necessary to take from Hirshfield's essay the inspiration to drop everything, walk out in to the wide world, open your eyes, and find out for yourself that "even the briefest ...

The Heart of Haiku by Jane Hirshfield, which I first read about it on Beth Kephart ' s blog, is lyrical, meandering, and informative not only about Haiku — the art, its origination, and its longevity — but also about one of the greatest poets, Bash , who lived and breathed Haiku. Knowing very little about this Japanese poet from the 17th century doesn ' t mean you don ' t know him because as Hirshfield points out, he infuses every Haiku with his soul and experiences.

Passwords Primeval sets aside the artificial boundaries of poetry "schools" and "movements" to cut to the art of the matter. Tony Leuzzi's astounding knowledge of poetry draws new insights from such luminaries as Billy Collins, Gerald Stern, Jane Hirshfield, Patricia Smith, and Mart í n Espada. These new interviews provide insights into the poets and their poems without losing any of their mystery. Whether you're looking for deeper understanding of your favorite poets or simply interested in the lives of contemporary artists, Passwords Primeval reveals the interconnectedness of these masters whose voices echo each other from opposite ends of the same canyon.

This book explores the art of writing poetry from a practice-based perspective. Split into three sections, it covers poetic form, tropes, structural devices and approaches poets have developed and used in their work. Each chapter unpacks a particular concept or form, then demonstrates how this works through examples and creative exercises.

Presents a collection of the author's daily love haikus, paired with his own photographs.

The simple delights in baby's natural world--a bird, a fish, a leaf, a snowflake, a raindrop--are celebrated in the traditional Japanese poetic form, the haiku, in a little board book with tabs.

With works by over 100 poets, The Bloomsbury Anthology of Contemporary Jewish American Poetry celebrates contemporary writers, born after World War II , who write about Jewish themes. This anthology brings together poets whose writings offer fascinating insight into Jewish cultural and religious topics and Jewish identity. Featuring established poets as well as representatives of the next generation of Jewish voices, it includes poems by Ellen Bass, Charles Bernstein, Carol V. Davis, Edward Hirsch, Jane Hirshfield, David Lehman, Jacqueline Osherow, Ira Sadoff, Philip Schultz, Alan Shapiro, Jane Shore, Judith Skillman, Melissa Stein, Matthew Zapruder, and many others.

A piece of work on the heart of a warrior. Never tired, ever relentless. Facing adversity no matter the foe, no matter the fear. This is a collection of Haiku that flow together to form a story that breaths in the way of the warrior and what it means to fight for what you believe in. Read it together, or let a single poem stay with you. The way you read it is up to you, In every poem there is a tale to be told, a lesson to understand. A leap of faith to take, in yourself. Allow Warrior to waken a fighter within yourself.

Dive into the collections of the Shorts-off Sexcapades!! Stories 1 - 3 available in one package...at a discount.....hot romance...social taboos...exploring the darker side of love.. What you get..... Lady Alene and the Widower (Shorts-off #1) Lady Alene, a professional companion, comforts a disparaging widower who tries to conquer his sexual urges with someone who won't contend with his dead wife. Lucky for him, Lady Alene knows what a man needs and bares all for her client's recovery. ...How long is too long to put-off dealing with the pain of loss?... But For You. Yes (Shorts-off #2) Aren't you curious? Andre wants to tell his girlfriend how he REALLY likes it. After revealing his secret desire Melonie isn't so convinced she'd like sex that way. It takes all of Andre's control and finesse to convince Melonie butt-love can feel good—for both parties. ...Would you be willing to try something new or scary for love?... Find out how Melonie deals with this very question in the second Shorts-off Sexcapades!! Cougar Bait in the Coffee Shop (Shorts-off #3) Kalyan, nearly twenty years younger than his would-be lover, would do anything to become Satomi's cougar bait. Including but not limited to: meeting her on her own terms, dying his hair, aging his face with make-up and being the subject of a little PDA. Satomi is actually resistant to the idea of dating a younger man, but Kalyan finds a unique way to get around her nervousness of their generation gap and proves that maturity isn't hindered by age. Cougar Bait is in praise of older women and revolves around the social taboo of age difference.

Editors Amanda McLeod and Mela Blust have curated a collection of poems that tell the stories of the journey, trials, and triumphs of womxn. In this collection, womxn share their most authentic, inner selves; their challenges and their victories; the words they wish they could say; the legacy they dream of for the womxn of the future. With over 50 poets, some internationally acclaimed and others making their publication debut, this stunning anthology captures the voices of womxn around the world. Content warning: sensitive content for survivors of trauma. Please exercise self-care when reading.

The fascinating and quirky biography of a disheveled poet, skillfully interwoven with his original works. Zen monk Santoka Taneda (1882 – 1940) is one of Japan's most beloved modern poets, famous for his "free-verse" haiku, the dominant style today. This book tells the fascinating story of his life, liberally sprinkled with more than 300 of his poems and extracts from his essays and journals—compiled by his best friend and biographer Oyama Sumita and elegantly translated by William Scott Wilson. Santoka was a literary prodigy, but a notoriously disorganized human being. By his own admission, he was incapable of doing anything other than wandering the countryside and writing verses. Although Santoka married and had a son, he devoted his life to poetry, studying Zen, drinking sake and wandering the length and breadth of the Japanese islands on foot, as a mendicant monk. The poet's life alternated between long periods of solitary retreat and restless travel, influenced by his tragic childhood. When not on the road, he lived in simple grass huts supported by friends and family. Santoka was a lively conversationalist who was often found so drunk he could only make it home with the help of a friendly neighbor or passerby. But above all, throughout his life, he wrote constantly; poetry and essays flowed from him effortlessly. Santoka's eccentric style of haiku is highly regarded in Japan today for being truly modern and free from formal constraints. His journals and essays are equally thought-provoking—the musings of an unkempt but supremely self-conscious mind on everything from writing to cooking rice and his failure to live a more orderly life. This translation and its introduction are by best-selling author William Scott Wilson, whose other works include The Book of Five Rings and The Lone Samurai. Wilson provides sensitive renditions of the haiku illustrating Santoka's life as well as an extensive introduction to the influences on Santoka's work, from contemporary haiku poets and his Buddhist teachers. Alongside the book, readers have access to a two-hour online audio recording of 331 of Santoka Taneda's haiku, read in Japanese by a native speaker, and in English.

An anthology of contemporary poets presents works that reflect the diversity in American poetry
