The defining moments of the Revolutionary War did not occur on the battlefield or at the diplomatic table, claims Thomas Fleming, but at Valley Forge, where the Continental Army wintered in 1777-78. WASHINGTON'S SECRET WAR tells the dramatic story of how those several critical months transformed a beaten, bedraggled group of recruits into a professional army capable of defeating the world's most formidable military power. While the British Army relaxed in Philadelphia only 20 miles away, George Washington trained his army under brutal conditions. Fleming reveals that during this difficult winter Washington was simultaneously fighting another war - one for his political life as members of the Continental Congress hatched a plot to unseat him and others plotted to betray him. For the first time, WASHINGTON'S SECRET WAR reveals how Washington's genius at negotiating the gray world of spies, double agents, and palace intrigue vaulted him from losing general to the charismatic father of his country.

"This book, with its personal approach and global scope, is the first to explore women's increasingly influential role in the wine industry, traditionally a male-dominated domain. Women of Wine draws on interviews with dozens of leading women winemakers, estate owners, professors, sommeliers, and wine writers in the United States, the United Kingdom, France, Italy, Australia, New Zealand, and elsewhere to create a mosaic of the women currently shaping the wine world and to offer a revealing insiders' look at the wine industry."--Jacket.

Winner of the 2019 Art of Eating Prize With more than 90 mouth-watering recipes, Superiority Burger Cookbook lays bare the secrets of America's most talked-about vegetarian restaurant, in recipes as simple as they are irresistible. Along with recipes for a coterie of other delights—fresh, vegetarian, accidentally vegan, and always incredible—you'll find out why Superiority Burger in New York City's East Village is the hottest ticket in North America and the surrounding continents. Superiority Burger is a cozy counter hangout filled with affordable, innovative food that is a protest against the idea that extraordinary fare is the exclusive domain of the elite. Now you can bring its blueprint for rebel compassion and culinary sophistication into your home with this cookbook: a must-read for home cooks who want something delicious, new, and imminently within their reach. The book is divided into six flavorful sections—Sandwiches, Cool Salads, Warm Vegetables, Soups and Stews, Sweets, and Pantry Recipes—and reveals the recipes for some of the restaurant's favorites: the Sloppy Dave, Burnt Broccoli Salad, Russet Potato-Coconut Soup, Tahini Ranch Romaine Salad, and, of course, the now legendary Superiority Burger. "Brooks Headley makes the best veggie burger I've ever had." --David Chang

For fans of Joan of Arc and Alexander the Great, comes "a gripping saga of alliances, intrigues, deceits, and treacheries" about Anna Comnena of the Byzantine Empire. Anna Comnena has every reason to feel entitled. She's a princess, her father's firstborn and his chosen successor. Someday she expects to sit on the throne and rule the vast Byzantine Empire. So the birth of a baby brother doesn't perturb her. Nor do the "barbarians" from foreign lands, who think only a son should ascend to power. Anna is as dismissive of them as are her father and his most trusted adviser--his mother, a manipulative woman with whom Anna studies the art of diplomacy. Anna relishes her lessons, proving adept at checkmating opponents in swift moves of mental chess. But as she matures into a young woman, her arrogance and intelligence threaten her grandmother. Anna will be no one's puppet. Almost overnight, Anna sees her dreams of power wrenched from her and bestowed on her little brother. Bitter at the betrayal, Anna waits to avenge herself, and to seize what is rightfully hers. Praise for Anna of Byzantium: A Bulletin Blue Ribbon Book An ALA Quick Pick An ALA Best Book for Young Adults A Booklist Editor's Choice A Booklist Top Ten Historical Fiction Pick (STAR) "[Anna of Byzantium] involves readers in a gripping saga of alliances, intrigues, deceits, and treacheries worthy of a place among the tragic myths." - The Bulletin, Starred review "In the tradition of E. L. Konigsburg's A Proud Taste for Scarlet and Miniver and Karen Cushman's Catherine, Called Birdy comes this story of a real-life historical figure. Anna Comnena, groomed to be the sovereign of the Byzantine empire...Barrett uses an effective first-person narrative to draw readers into Anna's story, and the author's precise use of detail helps re-create Anna's world, the palace of Constantinople in the ninth century. . . . Readers will be caught up in this exciting read."-Booklist, Boxed review "A fascinating mix of history, mystery, and intrigue."-The Horn Book Magazine "Barrett does a remarkable job of painting moods and emotions with spare, elegant sentences. . . . This splendid novel about a neglected period of history is the perfect choice. . . . Hard to imagine it being any better written." -VOYA "This wonderfully engaging novel both entertains and serves as a lively history lesson with its well-researched background, dramatic plot and dimensional characters. Barrett's descriptive, engaging prose will draw readers into a fascinating historical time, filled with political intrigue and a complex, admirable teen protagonist who faces her changing future with an inspiring combination of heart and mind."- Wichita Eagle

What draws us towards a shop window display? What drives us to grab a special offer, to enter the privileged circle of premium newspaper subscribers, to peruse the pages of an enticing magazine? Without doubt, it is curiosity - that essential force of everyday action which invites us to break from our habits and to become transported beyond our very selves. Curiosity (whether healthy or unhealthy) is one of the favourite tricks of market seduction. Capturing a public - attracting the attention of a reader, seducing a customer, meeting the expectations of a user, persuading a voter ... - often requires the construction of a set of technical devices that can play upon people's inner motivations. Cochoy invites us to take a sociological trip into these cabinets of curiosity, accompanied throughout by Bluebeard, a fairy tale that is both a model of the genre and a pure curiosity machine. At once a work of history and economic anthropology, the book meticulously analyses the devices designed by markets to arouse, excite, and sustain curiosity: a window display, practices of 'teasing', packaging, bus shelters, mobile internet technologies, to name but a few. In the Bettencourt and Strauss-Kahn affairs and the WikiLeaks controversy, Cochoy also uncovers the work of investigative journalism and its attention-grabbing 'scops', revealing the secrets of the revealers of secrets. Available in English for the first time, this major work will arouse readers' curiosity over the course of its unusual and colourful journey. By the end, now better informed and more cautious, they will be able to identify the traps of which they are the target. So long as curiosity is kept at bay, at least!

The Believer is the weird and chilling true story of Dr. John Mack. This eminent Harvard psychiatrist and Pulitzer Prize-winning biographer risked his career to investigate the phenomenon of human encounters with aliens and to give credibility to the stupefying tales shared by people who were utterly convinced they had happened. Nothing in Mack's four decades of psychiatry had prepared him for the otherworldly accounts of a cross-section of humanity including young children who reported being taken against their wills by alien beings. Over the course of his career his interest in alien abduction grew from curiosity to wonder, ultimately developing into a limitless, unwavering passion. Based on exclusive access to Mack's archives, journals, and psychiatric notes and interviews with his family and closest associates, The Believer reveals the life and work of a man who explored the deepest of scientific conundrums and further leads us to the hidden dimensions and alternate realities that captivated Mack until the end of his life.

This book examines the role of the international financial system in the development of Pacific Asia and, conversely, the region's growing influence on North America and the world economy. It looks at the distant future, being devoted primarily to understanding the emergence of modern Pacific Asia.

How are individual and social ideas of late-onset dementia shaped and negotiated in film, literature, the arts, and the media? And how the symbolic forms provided by popular culture be adopted and transformed by those affected in order to express their own perspectives? This international and interdisciplinary volume summarizes central current research trends and opens new theoretical and empirical perspectives on dementia in popular culture. It includes contributions by internationally renowned scholars from the humanities, social and cultural gerontology, age(ing) studies, cultural studies, philosophy, and bioethics. Contributions by Lucy Burke, Marlene Goldman, Annette Leibing and others.

The New York Times bestselling author of The Party is Over delivers a no-holds-barred exposé of who really wields power in Washington Every Four years, tempers are tested and marriages fray as Americans head to the polls to cast their votes. But does anyone really care what we think? Has our vaunted political system become one big, expensive, painfully scripted reality TV show? In this cringe-inducing expose of the sins and excesses of Beltwayland, a longtime Republican party insider argues that we have become an oligarchy in form if not in name. Hooked on war, genuflecting to big donors, in thrall to discredited economic theories and utterly bereft of a moral compass, America's governing classes are selling their souls to entrenched interest while our bridges collapse, wages, stagnate, and our water is increasingly undrinkable. Drawing on insights gleaned over three decades on Capitol Hill, much of it on the Budget Committee, Lofgren paints a gripping portrait of the dismal swamp on the Potomac and the revolution it will take to reclaim our government and set us back on course.

Batman may have survived the Court of Owls' first strike (barely), but even as he recuperates, the Court is preparing to launch its most deadly and sweeping attack yet. Plus: secrets revealed in this issue will change Batman's world forever!
