easier approach to guided notes. When going through each worksheet that was created there will be several places where red font is used. The red font is what the student might correctly state each question from one of the worksheets. This means that for the assignments, review, exit slips, and assessments the red font is essentially the answer key.

An Introduction to Topology for the High School Student

of topology will also give us a more generalized notion of the meaning of open and closed sets. 1.1 Metric Spaces Definition 1.1.1. A metric space is a set  $X$  where we have a notion of distance. That is, if  $x, y \in X$ , then  $d(x, y)$  is the "distance" between  $x$  and  $y$ . The particular distance function must
