Adopting the structure and themes of the Arthurian legend, John Steinbeck created a “Camelot” on a shabby hillside above the town of Monterey, California, and peopled it with a colorful band of knights. At the center of the tale is Danny, whose house, like Arthur’s castle, becomes a gathering place for men looking for adventure, camaraderie, and a sense of belonging—men who fiercely resist the corrupting tide of honest toil and civil rectitude. As Nobel Prize winner Steinbeck chronicles their deeds—their multiple lovers, their wonderful brawls, their Rabelaisian wine-drinking—he spins a tale as compelling and ultimately as touched by sorrow as the famous legends of the Round Table, which inspired him.

Danny, a mule skinner during the First World War, returns to Tortilla Flat to enjoy the carefree and amoral life of the paisano

This special 50-year jubilee edition of Steinbeck's classic novels features The Grapes of Wrath, The Moon Is Down, Cannery Row, East of Eden, and Of Mice and Men.

A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to appear in a quarter century, *Mad at the World* illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his rise to greatness with masterpieces such as *The Red Pony*, *Of Mice and Men*, and *The Grapes of Wrath*. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of Cannery Row, and appalled by the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called "lost generation." A man by turns quick-tempered, compassionate, and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about success, his mid-career books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to this day. Steinbeck remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, *Mad at the World* captures the full measure of the man and his work.

This book aims to both describe and analyze the way Steinbeck learned the writing craft. It begins with his immersion in the short story, some years after he stopped attending Stanford University. Aside from a weak first novel, his professional writing career began with the publication in 1932 of *The Pastures of Heaven*, stories set in the Salinas Valley and dedicated to his parents. From that book he wrote truly commanding stories such as *The Red Pony*. Intermixed with Steinbeck's journalism about California's labor difficulties, his writing skill led to his 1930 masterpieces, *Of Mice and Men*, *In Dubious Battle*, and *The Grapes of Wrath*. The latter novel, winner of the Pulitzer Prize for Fiction in 1940, led eventually to his being awarded the Nobel Prize for Literature in 1962. He continued producing such wide-ranging works as *The Pearl*, *East of Eden*, *The Winter of Our Discontent*, and *Travels with Charley* up to just a few months before his death in 1968.

A Penguin Classic In Monterey, on the California coast, *Sweet Thursday* is what they call the day after Lousy Wednesday, which is one of those days that are just naturally bad. Returning to the scene of Cannery Row—the weedy lots and junk heaps and flophouses of Monterey, John Steinbeck once more brings to life the denizens of a netherworld of laughter and tears—from Doc, based on Steinbeck's lifelong friend Ed Ricketts, to Fauna, new headmistress of the local brothel, to Hazel, a bum whose mother must have wanted a daughter. This Penguin Classics edition features an introduction and notes by Robert DeMott. Vividly depicts the colorful, sometimes disreputable, inhabitants of a run-down area in Monterey, California

In this tough yet charming portrait of people on the margins of society, Steinbeck focuses on the acceptance of life as it is—both the exuberance of community and the loneliness of the individual. Drawing on his memories of friends in Monterey, California, he interweaves the stories of Lee, Doc, and Mack, the inhabitants of Cannery Row. What results is a procession of linked vignettes and a novel that is at once Steinbeck's most humorous and poignant works, filled with human warmth, camaraderie, and love.
