Villa for sale is nothing but just about a woman (Juliette) who sells her house to a couple in hastiness,and Mr. Gatson who buys the house sells it to another american who assumes Gatson to be the husband of juliette when his wife Jeanne and Juliette go to inspect the top floor of the house. it is all about the tricky minded Gatson.] n my point of view - the whole drama itself is a satire (wrote with one intention, to ridicule a person in the form of a poem or a play).
