The sensational new Jack Caffery thriller from Mo Hayder, bestselling author of Gone and Poppet. Who's afraid? I believe, from what I can hear, that either my daughter or my wife has just been attacked. I don't know the outcome. The house is silent. Fourteen years ago two teenage lovers were brutally murdered in a patch of remote woodland.

The 7th novel in the Jack Caffery series and unfortunately he's missing for large chunks of his own story and that's a shame. The plot is certainly dark and violent enough, plenty of that surreal creepiness Mo Hayder's so good at, but Wolf reads like two separate stories almost until the end with very little to tie the two parts together.
