Increasingly possessed by a yearning to escape the ennui of an indifferent marriage and the empty but comfortable lifestyle of a bureaucrat, Raghu decides to visit the small patch of ancestral property in his native village. The novel moves between the two worlds the past and the present with pungent, earthy humour and sharp insights.

The unmaking of a hero Madhavan Pillai, a freedom fighter of renown in pre-independence years, now a penniless alcoholic, awaits an anonymous death, while his protegee Ramettan helplessly witnesses the downfall of his idol. Just over two decades ago. Ramettan was a young college student in awe of the daring revolutionary who was everybody's hero...but today he buys Madhavan Pillai his daily hooch and makes futile rounds of the government secretariat trying to get his mentor five cents of land's his dying wish. As the story unfolds, it is discovered that the same patch of land is coveted by somebody else who is closer to the Revenue Minister; the only thing that could make a difference is a personal request to the minister by the ailing freedom fighter, but despite Ramettan's urgings Pillai refuses to bend and ask for a favour...Five Cents of Land, by one of Kerala's most respected authors, takes an unsparing look at what we are left with when dreams die and romantic notions fail, and forces us into accepting the futility of convictions and the inevitability of compromise. Translated from the Malayalam by R. Viswanathan

Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur. Fascinated with accounts of the prestigious Naalukettu taravad from which his mother was expelled, Appunni visits the house only to be despised and rejected by all. Appunni grows up to earn enough money and returns to buy his ancestral home, but his victory soon turns into ashes when his father's murderer turns out to be the same man who was the only sympathetic adult in Appunni's lonely teenage years.

Return of the Yakshi is a story of friendship, idealism, love and a brief but violent revolution that was followed by the passing of land reform legislation in Kerala. It explores the psyche of "Urban Naxals" who get involved in dangerous activities labelled as "seditious" at the risk of their lives. Although the story is complete fiction, it has a historical setting where the author has taken creative liberties with incidents, characters, dates and sequence of events. With the prospect of the declaration of Emergency in 1975, the protagonist, Suresh, is forced to leave Kerala and travel to Pamban Island located between India and Sri Lanka, living in exile till 1977. The story suggests a scenario involving a highly probable nexus between the Naxals of Kerala, the LTTE in Sri Lanka and the ivory smuggler, Veerappan. The story highlights the helplessness of the tribals of Kerala against the might of the State that appropriated their forests, while the LTTE used "asymmetrical" warfare and suicide bombers to fight for their homeland.
